

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, AEMO has requested the *Generating System Model Guidelines* (Ref. ERC0219) proposal. The proposal seeks to make it a requirement for generators and other market participants to provide AEMO with additional model data. Submissions must be received by **12 April 2017**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
