

Notice under National Electricity Law

Making of Final Determination and Final Rule

Initiation of request

Initiation of request and consolidation

Extension of Draft Determination

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under ss 102 and 103, the making of the *National Electricity Amendment (Wholesale demand response mechanism) Rule 2020 No. 9* (Ref. ERC0247) and related final determination. Schedules 1, 3, 4 and 5 commence operation on **24 October 2021**. Schedule 2 commences operation on **31 March 2021**. Schedule 6 commences operation on **18 June 2020**.

Under s 95, the Australian Energy Market Operator has requested the *Compensation following directions for services other than energy and market ancillary services* (Ref. ERC0287) proposal. The proposal seeks to amend the process to determine compensation following directions for services other than energy and market ancillary services. Submissions must be received by **16 July 2020**.

Under s 95, the Australian Energy Market Operator has requested the *Compensation for scheduled loads affected by interventions* (Ref. ERC0284) proposal. The proposal seeks to amend clause 3.12.2 of the NER to address potential under-compensation of scheduled loads affected by an AEMO intervention.

Under s 95, the Australian Energy Market Operator has requested the *Affected participant compensation for FCAS losses* (Ref. ERC0285) proposal. The proposal seeks to amend clause 3.12.2 of the NER to enable affected participants to claim compensation for market ancillary service losses incurred due to an AEMO intervention.

Under s 93(1)(a), the rule change requests for ERC0284 and ERC0285 have been consolidated. The consolidated request is named *Compensation for market participants affected by intervention events* (Ref. ERC0284). Submissions for the consolidated request are currently open and must be received by **16 July 2020**.

Under s 107, the time for making the draft determination on the *Connection to dedicated connection assets* (Ref. ERC0294) proposal has been extended to **20 August 2020**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
