

Notice under National Electricity Law

Notice of change of rule making process

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 96(3), the proposed National Electricity Amendment (*Extension of time and reduction in scope of the 2022 reliability standard and settings review*) Rule will be made under the standard rule making process in accordance with Part 7 Division 3 (other than s 96) of the NEL, rather than through an expedited process (Project Ref ERC0336).

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
