Anna Collyer
Chair
Australian Energy Market Commission

Reference: ERC0387

Dear Ms Collyer,

Minor Changes 1 2024

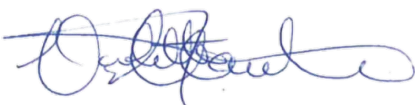

AEMO appreciates the opportunity to provide comment on the AEMC's minor changes 1 2024.

AEMO is currently implementing the National Electricity Amendment (Integrating energy storage systems into the NEM) Rule 2021 and National Electricity Amendment (Implementing integrated storage systems) Rule 2023 No. 2 (Implementation Rule). We suggest the amended drafting (below) for NER 3.14.5A(j) to include the term "Scheduled Integrated Resource Provider" be incorporated into the AEMC's minor changes.

(j) AEMO must develop a schedule of benchmark values (**schedule of benchmark values**) for each class of *Scheduled Generator*, *Scheduled Integrated Resource Provider* and *Ancillary Service Provider* in each region, ...

If you have any questions regarding this proposed amendment please contact Kevin Ly, Group Manager – Reform Development & Insights on kevin.ly@aemo.com.au.

Yours sincerely,

Violette Mouchaileh
