

Submission Type: Rule Change

Reference: Minor changes 1 2024

Organisation: Private citizen

First Name: Mel

Last Name: Davy

Email: [REDACTED]

Phone Number: [REDACTED]

Comments: I will not accept a smart meter . It interferes with my heart condition. My meter box is on the same wall as my bed. My heart had been affected by affected by the modem in the meter used for comms.

You have not considered people's health when enforcing these Meters.
