

Submission Type: Rule Change

Reference: Review of the form of the reliability standard and APC

Organisation: -----

First Name: Rosemarie

Last Name: Gutschmann

Email: [REDACTED]

Phone Number: [REDACTED]

Comments: I don't support smart meters in a house for a variety of reasons

- harmful to health

- not safe

- can be used to collect data from the household and misused -can be used for control of the household owner
