Dear [REDACTED],

Re: Part 10 exemption – E04 Pipeline

I refer to your Category 1 Part 10 exemption application dated 28 February 2024 for the E04 Pipeline.

The AER has assessed the application and supporting information and has determined to grant an exemption under Category 1 of Part 10 of the National Gas Rules (NGR). This exemption is valid for 5 years from the date of this letter i.e., 9 April 2029.

As required by NGR rule 102(7), please notify the AER if circumstances change such that the pipeline no longer qualifies for the exemption.

Rule 102(6) requires the AER to maintain a public register of Part 10 exemptions. Barring personal information, details in your submitted Part 10 application form and responses in your emails may be published on the register along with this response.

Please contact [REDACTED] if we can assist further.

Yours sincerely
