July - December 2024																																																							
ERC0246	Unlocking CER benefits through flexible trading	Aug-24	[Gantt bar from w/c 1/7 to w/c 12/8]																																																				
ERC0381	Managing ISP project uncertainty through targeted ex post reviews	Aug-24	[Gantt bar from w/c 1/7 to w/c 12/8]																																																				
ERC0380	Bringing early works forward to improve transmission planning	Sep-24	[Gantt bar from w/c 1/7 to w/c 23/9]																																																				
ERC0383	Providing flexibility in the allocation of interconnector costs	Sep-24	[Gantt bar from w/c 1/7 to w/c 23/9]																																																				
ERC0384	Shortening the settlement cycle	Oct-24	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
EPR0098	Transmission access reform review	Oct-24	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
RPR0017	Price Trends 2024	Nov-24	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0378	Accelerating smart meter deployment	Nov-24	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0389	Retailer reliability obligation exemption for scheduled bi-directional units	Nov-24	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
EPR0095	Review into electricity compensation frameworks	Dec-24	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0352	Integrating price-responsive resources into the NEM	Dec-24	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0395	ISP rule change: Better integrating gas into the ISP	Dec-24	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0396	Improving consideration of demand-side factors in the ISP	Dec-24	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0388	Cyber security roles and responsibilities	Dec-24	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0403	Allowing AEMO to accept cash as credit support	Dec-24	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0401	Rescheduling the generator compliance programs review	Dec-24	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
January - June 2025																																																							
ERC0373	Zero dollar energy floor price for Participant Compensation Fund claims	Feb-25	[Gantt bar from w/c 1/7 to w/c 16/12]																																																				
ERC0391	Improving the cost recovery arrangements for non-network options	Mar-25	[Gantt bar from w/c 1/7 to w/c 24/3]																																																				
ERC0400	Including distribution network resilience in the NER	Apr-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0356	Amending the calculation of the cumulative price	Apr-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0374	CPT calculation during administered scheduled pricing	Mar-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0386	Inter-regional settlements residue arrangements for transmission loops	Mar-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0393	Improving NEM access standards - Package 1	Apr-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0339	Efficient provision of inertia	Jun-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
RRC0061	Ensuring energy plan benefits last the length of the contract	Jun-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
RRC0065	Removing unreasonable conditional discounts	Jun-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
RRC0058	Preventing price increases for fixed period under market retail contracts	Jun-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
RRC0060	Assisting hardship customers	Jun-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
ERC0399	Real-time data for consumers	Jul-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
RELO091	Review of the system restart standard 2025	Sep-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
EPR0099	Review of the Wholesale Demand Response Mechanism	Oct-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
RRC0062	Improving the ability to switch to a better offer	Dec-25	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
EPR0097	Electricity pricing for a consumer-driven future	Mar-26	[Gantt bar from w/c 1/7 to w/c 30/12]																																																				
TBC	RSSR review	Apr-26	[Gantt bar from w/c 1/7 to w/c 30/12]
