Dear [REDACTED],

Re: Part 10 exemption – Murray Valley Pipeline

I refer to your Category 1 Part 10 exemption application dated 20 August 2024 for the Murray Valley Pipeline.

Pursuant to the delegation given to me by the AER Board, I have assessed the application and supporting information and have determined to grant an exemption under Category 1 of Part 10 of the National Gas Rules (NGR). This exemption is valid for 5 years from the date of this letter i.e., 17 October 2029.

As required by NGR rule 102(7), please notify the AER if circumstances change such that the pipeline no longer qualifies for the exemption.

Rule 102(6) requires the AER to maintain a public register of Part 10 exemptions. Barring personal information, details in your submitted Part 10 application form and responses in your emails may be published on the register along with this response.

Please contact [REDACTED] if we can assist further.

Yours sincerely

[REDACTED]
