

Notice under National Electricity Law

Notice of fast track rule change initiation

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, the Australian Energy Market Operator has requested the *Improving the NEM access standards - Package 1* (Ref. ERC0393) proposal. The proposal seeks to improve the current access standards and their application to ensure efficient plant performance and faster, cost-effective NEM connections. Under s 96A, the AEMC has decided to fast track this proposal.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
