

Submission Type: Rule Change

Reference: Allowing AEMO to accept cash as credit support

Organisation: -

First Name: Ryan

Last Name: Harris

Email: [REDACTED]

Phone Number: [REDACTED]

Comments: The assessment criteria of 'Emissions Reductions' is not met with the continuous operations of a Coal Fired Generator. If the banks are not providing a loan due to ESG, then Delta clearly don't have an efficient plan in place regarding closure and cleanup of the plant.
