Dear [REDACTED],

Re: Part 10 exemption – BP2 to GCH Interconnect

I refer to your Category 1 Part 10 exemption application for the BP2 to GCH Interconnect submitted to the AER on 31 October 2024.

Pursuant to the delegation given to me by the AER Board, I have assessed the application and supporting information and have determined to grant an exemption under Category 1 of Part 10 of the National Gas Rules (NGR). This exemption is valid for 5 years from the date of this letter i.e., until 5 December 2029.

As required by NGR rule 102(7), please notify the AER if circumstances change such that the pipeline no longer qualifies for the exemption.

Rule 102(6) requires the AER to maintain a public register of Part 10 exemptions. Barring personal information, details in your submitted Part 10 application form and responses in your emails may be published on the register along with this response.

Please contact [REDACTED] if we can assist further.

Yours sincerely

[REDACTED]
