Enquiry: Dear [REDACTED]  
Regarding Better Integrating Gas & Community Sentiment into the ISP....

Why is AEMO'S ISP DESIGNED  
TO FAIL & Why are WE CONSUMERS BEING FORCED TO PAY FOR WHAT WAS NEVER A  
VIABLE PLAN FROM  
ECONOMIC & ENGINEERING ANGLES?

WE ARE ALREADY IN A CRUELLY TORTUROUS, GOVERNMENT INFLICTED COST OF LIVING  
CRISIS - DUE TO [REDACTED]  
[REDACTED] NEVER-ENDING SKYROCKETING ELECTRICITY  
PRICES!

BY AEMO ISP CLEARLY FAILING, WE ALL PAY FOR IT, THEN PAY AGAIN PRIVATELY TO  
BACK IT UP WITH DIESEL GENERATORS OR BATTERIES - MEANING MORE DOLLARS GO  
ROUND PUMPING THE GDP BUT FAILING INDUSTRY, PRODUCTIVITY & US.
