

## Notices under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law (NEL) of the following matters.

- Under section 99, the making of the draft determination and draft *National Electricity Amendment (Central Dispatch and Integration of Wind and Other Intermittent Generation) Rule 2007*. Interested parties may:
  - request a pre-determination hearing no later than **29 November 2007**; and
  - make a submission no later than **25 January 2008**.
- Under section 95, the Total Environment Centre has requested the making of the proposed *National Electricity Amendment (Demand Management) Rule 2007*. The proposal relates to the application of demand management to transmission networks and the wholesale market. Interested parties may make a submission no later than **1 February 2008**.

Submissions and requests for a pre-hearing should be forwarded to [submissions@aemc.gov.au](mailto:submissions@aemc.gov.au)

Submissions should be submitted where practicable, in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

Further details on the above matters are available on the AEMC's website [www.aemc.gov.au](http://www.aemc.gov.au). All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
