Electricity and Gas Retail Competition Review in Victoria

The Australian Energy Market Commission (AEMC) has published the Second Final Report of its review of the effectiveness of retail competition in electricity and gas markets in Victoria, in accordance with the Request for Advice received from the Ministerial Council on Energy. This report outlines the AEMC's advice on ways to phase out retail price regulation in electricity and gas markets in Victoria and represents the final stage of the AEMC's review.

Further details on the Review are available on the AEMC's website www.aemc.gov.au. All documents in relation to the Review, including the Second Final Report, are published on the AEMC's website and are available for inspection at the offices of the AEMC.
