

Notice of proposed Rule under section 95 National Electricity Law

Proposed National Electricity Amendment (Economic Regulation of Transmission Services) Rule 2006

The Australian Energy Market Commission (Commission) has initiated the making of the above Rule under section 35 of the National Electricity Law. The Rule proposal relates to the economic regulation of transmission services.

A copy of the Rule proposal and the proposed Rule are published on the Commission's website and are available for inspection at the offices of the Commission.

The Commission will be holding a hearing in relation to the above Rule proposal on **8 March 2006** at 9 am at the Hilton Hotel, Melbourne Airport. Persons who wish to attend should register. Registration forms can be found on the AEMC website.

The Commission invites written submissions in relation to this Rule proposal. The Commission's policy is to promptly publish all submissions on its website upon receipt, subject to a consideration of any claim of confidentiality.

Submissions must be received no later than **20 March 2006**.
