

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 107A, the period of time for the making of the final determination on the *Arrangements for Managing Risks Associated with Transmission Network Congestion Rule Proposal* (Project Ref. ERC0076) has been extended to **13 August 2009**. The AEMC requires further submissions on 2 issues raised by NEMMCO proposing to: delete clause 3.13.4(o) of the National Electricity Rules (the Rules), and extend the application of proposed clause 3.6.5(4B) of the Draft National Electricity Amendment (Negative Inter-regional Settlements Residue Amounts) Rule 2009. Submissions must be received by **16 July 2009**.

Under rule 6A.20 of the Rules, the AEMC gives notice that on 30 June 2009 it made the *Guidelines for the Determination of Compensation Following the Application of the Administered Price Cap, Market Price Cap, Market Floor Price or Administered Floor Price* and its final decision on these guidelines for the purposes of clause 3.14.6 of the Rules.

Submissions can be lodged online via the AEMC's website at www.aemc.gov.au Before submitting your submission, you must review the AEMC's privacy collection statement on its website. Submissions should be submitted in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
