

Notice under National Gas Law

The Australian Energy Market Commission (AEMC) gives notice under the National Gas Law of the following matter.

Under section 303, AEMO has requested the *STTM Data Validation and Price Setting Process* Rule proposal (Project Ref. GRC0008). In response to two high price events in the Short Term Trading Market towards late 2010, AEMO's Rule change request proposes to introduce a STTM pipeline facility data validation process for the setting of schedules and prices in the STTM. The AEMC intends to expedite the Rule proposal under section 304 on the grounds that it considers the proposed Rule is urgent, subject to the receipt of written objections.

In relation to the proposal:

- written objections must be received by **7 April 2011**;
- submissions must be received by **21 April 2011**; and
- written objections and submissions may be forwarded to submissions@aemc.gov.au and must cite the Project Ref. in its title.

Submissions can be lodged online via the AEMC's website at www.aemc.gov.au. Submissions should be submitted in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

Objections can be forwarded to submissions@aemc.gov.au and must cite the Project Ref. in the title.

Before submitting your submission or objection, you must review the AEMC's privacy collection statement on its website at www.aemc.gov.au.

All documents in relation to the above matter are published on the AEMC's website and are available for inspection at the offices of the AEMC.
