**AAE response to Australian Energy Market Commission (AEMC):  
Review of demand-side participation in the National Energy Market (NEM)  
Stage 2 Issues Paper**

Alinta AE Limited (AAE) welcomes this opportunity to make a submission to the AEMC's consultation on the Stage 2 Issues Paper. AAE appreciates that the Rules must have the right balance of incentives to support efficient investment in both the supply and demand sides of the NEM.

AAE looks forward to further consultation on this issue.

If required, I can be contacted on (02) 9270 4512 or email: [sandra.gamble@alinta.net.au](mailto:sandra.gamble@alinta.net.au).

Yours sincerely,
