

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under section 93(1)(a), the *Annual Network Pricing Arrangements* Rule request proposed by the Independent Pricing and Regulatory Tribunal of NSW has been consolidated with the *Distribution Network Pricing Arrangements* Rule request proposed by the Standing Council on Energy And Resources.

Under section 95, the consolidated *Distribution Network Pricing Arrangements* Rule request has been initiated (Project Ref ERC0161). The consolidated Rule request seeks to improve the arrangements for distribution businesses to set cost reflective network prices. Submissions must be received by **19 December 2013**.

Under section 107, the period of time for the making of the draft determination on the consolidated *Distribution Network Pricing Arrangements* Rule request has been extended to **29 August 2014**.

Under s 96(3), the proposed *National Electricity Amendment (AER Authorisation of Software Changes by AEMO)* Rule will be made in accordance with Part 7 Division 3 (other than section 96) of the NEL, rather than through an expedited process (Project Ref ERC0151).

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
