

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law (NEL) of the following matters.

Under section 107, the preparation of the draft determination for:

- the proposed *National Electricity Amendment (Victorian Jurisdictional Derogation (Advanced Metering Infrastructure Roll Out)) Rule 2008* has been extended to **26 June 2008**; and
- the proposed *National Electricity Amendment (Regulatory Test Thresholds and Information Disclosure on Network Replacements) Rule 2008* has been extended to **3 July 2008**.

Under section 95, the National Generators Forum has requested the making of the proposed *National Electricity Amendment (Cost Allocation of Transmission Services) Rule 2008*. The proposal primarily seeks to address the cost allocation arrangements for certain transmission services introduced by the *National Electricity Amendment (Economic Regulation of Transmission Services) Rule 2006 No. 18*. Submissions must be received by **2 May 2008**.

Further details on the above matters are available on the AEMC's website www.aemc.gov.au. All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
