

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 102, the making of the final determination on the *Inertia ancillary service market* (Ref. ERC0208) proposal.

Under s 95, AEMO has requested the *Testing of system restart ancillary services capability* (Ref. ERC0229) proposal. The proposal seeks to facilitate the regime for testing the capability of contracted system restart ancillary services. Submissions must be received by **6 March 2018**. The AEMC intends to expedite the proposal under s 96 as it considers the proposed Rule is non-controversial, subject to requests not to do so. Written requests not to expedite the proposal must be received by **20 February 2018**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
