

# Notice under Section 95 National Electricity Law

## Request for Making of a Rule

### Treatment of contingent projects under current TransGrid revenue determination

The Australian Energy Market Commission (Commission) gives notice under s.95 of the National Electricity Law (NEL) that TransGrid has requested the making of a participant derogation (the TransGrid proposal). The proposal relates to treatment of contingent projects under TransGrid's current revenue determination.

A draft of the proposed Rule and a copy of the TransGrid proposal are published on the Commission's website and are available for inspection at the offices of the Commission. The Commission invites written submissions from any person or body in relation to the proposed Rule. Submissions must be received no later than Friday, 18 November 2005.
