

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under sections 102 and 103, the making of the *National Electricity Amendment (Publication of a Carbon Dioxide Equivalent Intensity Index for the National Electricity Market) Rule 2010 No. 8* and related final determination. All provisions commence on **22 July 2010**.

Under sections 102 and 103, the making of the *National Electricity Amendment (Timing for Spot Price Reporting) Rule 2010 No. 9* and related final determination. All provisions commence on **22 July 2010**.

Under section 95, AEMO has requested the *Network Support and Control Ancillary Services* Rule proposal (Project Ref. ERC0108). The proposal seeks to improve the current arrangements for the planning, acquisition, and cost recovery of network support and control services. Submissions must be received by **3 September 2010**.

Under section 107, the period of time for the making of the draft Rule determination on the *Network Support and Control Ancillary Services* Rule proposal has been extended to **25 November 2010** and the period of time for the making of the final Rule determination has been extended to **17 March 2011**.

Submissions can be lodged online via the AEMC's website at www.aemc.gov.au Before lodging your submission, you must review the AEMC's privacy collection statement on its website.

Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
