

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matter.

Under section 99, the making of a draft determination and draft *National Electricity Amendment (Transparency of Operating Data) Rule 2010* (Draft Rule) (Project Ref. ERC0096). In relation to the draft determination:

- requests for a pre-determination hearing must be received by **25 February 2010**;
- submissions must be received by **5 April 2010**; and
- requests for a hearing should be forwarded to submissions@aemc.gov.au and must cite the Project Ref. in the title.

If made, the Draft Rule would require Australian Energy Market Operator Limited to amend the spot market operations timetable made under clause 3.4.3 of the National Electricity Rules (Timetable) without complying with the Rules consultation procedures. Any submissions on the proposed changes to the Timetable should be made in accordance with the timeframes specified above.

Submissions on this proposal can be lodged online via the AEMC's website at www.aemc.gov.au. Before lodging your submission, you must review the AEMC's privacy collection statement on its website.

Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

All documents in relation to the above matter are published on the AEMC's website and are available for inspection at the offices of the AEMC.
