

# Notice under National Gas Law

The Australian Energy Market Commission (AEMC) gives notice under the National Gas Law of the following matter.

Under section 303, AEMO has requested the Timetable for Prescribed Gas STTM Reviews Rule proposal (Project Ref. GRC0005). The proposal seeks to amend the timetable for prescribed market reviews of the STTM to allow for sufficient time to collect and analyse market data for a full winter and two summer periods, and undertake adequate review and consultation. The AEMC intends to expedite the Rule proposal under section 304 on the grounds that it considers the proposed Rule is non-controversial, subject to the receipt of written objections.

In relation to the proposal:

- written objections must be received by 11 November 2010;
- submissions must be received by 25 November 2010; and
- written objections and submissions may be forwarded to [submissions@aemc.gov.au](mailto:submissions@aemc.gov.au) and must cite the Project Ref. in its title.

Objections on this proposal can be forwarded to [submissions@aemc.gov.au](mailto:submissions@aemc.gov.au) and must cite the Project Ref. in its title.

Submissions on this proposal can be lodged online via the AEMC's website at [www.aemc.gov.au](http://www.aemc.gov.au). Before submitting your objection or submission, you must review the AEMC's privacy collection statement on its website.

Submissions should be submitted in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

All documents in relation to the above matter are published on the AEMC's website, and are available for inspection at the offices of the AEMC.
