

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 107, the period of time for the making of the draft determination on the *Total Factor Productivity for Distribution Network Regulation Rule* proposal has been extended to **1 October 2010**.

Under section 95, NEMMCO (now AEMO) requested the *Cost Recovery for other services directions* Rule proposal (Project Ref. ERC0090). The proposal seeks to amend the methodology for recovering costs for directions issued by the AEMO for services other than energy and market ancillary services. Submissions must be received by **24 August 2009**.

Submissions on this proposal can be lodged online via the AEMC's website at www.aemc.gov.au Before submitting your submission, you must review the AEMC's privacy collection statement on its website.

Submissions should be submitted in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
