

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matter.

Under section 95, SCER has requested the *Network Service Provider Expenditure Objectives* Rule proposal (Project Ref. ERC0152). The proposal seeks to clarify that NSPs are only able to seek sufficient expenditure for reliability to comply with relevant jurisdictional standards. Submissions must be received by **7 March 2013**.

Submissions can be lodged online via the AEMC's website at www.aemc.gov.au. Before lodging your submission, you must review the AEMC's privacy statement on its website. Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to confidentiality. All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
