

Notice under Section 99 National Electricity Law

Draft Rule Determination

Draft National Electricity Amendment (Reliability Safety Net Extension) Rule 2006

The Australian Energy Market Commission (Commission) has made a draft Rule determination in relation to the Reliability Safety Net Extension.

The draft Rule determination, including the draft of the Rule to be made, is published on the Commission's website and is available for inspection at the offices of the Commission.

The Commission invites written submissions in relation to the draft Rule determination. The Commission's policy is to promptly publish all submissions on its website upon receipt, subject to consideration of any claim of confidentiality.

Submissions must be received no later than **28 April 2006**.

A person making a written submission may request the Commission to hold a hearing in relation to a draft Rule determination. The request must be in writing and must be received no later than **8 March 2006**.
