

AEMC Reliability Panel

Consultation on the Panel's review of the performance of the National Electricity Market during 2006-07

The Reliability Panel (Panel) has commenced its annual review of the performance of the National Electricity Market for the 2006-07 year in accordance with clause 8.8.3(b) of the National Electricity Rules. The review focuses on the performance of the market in terms of reliability of the power system and the power system security and reliability standards.

The Panel published a draft report as part of this review on **Tuesday, 18 December 2007**.

In addition, the Panel has made a presentation on this draft report, and provided an opportunity for comments and questions at the National Electricity Market Information Forum on **Thursday, 13 December 2007**. The forum was video linked to the state capitals of the NEM participating jurisdictions.

The Panel will also hold a meeting, to provide an opportunity for comments and questions, on **Thursday 14 February 2008**. All Registered Participants are welcome and any participant wishing to register should contact the Panel by **Tuesday 22 January 2008**. The meeting will be held in the AEMC's Sydney office, the address is Level 5, 201 Elizabeth Street, Sydney NSW 2000.

The Panel welcomes submissions on the draft report no later than **Thursday, 17 January 2008**.

Submissions may be forwarded by email, mail or in person.
