

Notice of MCE directed Review under section 43 National Electricity Law

“Enforcement of, and compliance with, the technical standards under the National Electricity Rules”

The Australian Energy Market Commission (Commission) publishes this notice under s.43 of the National Electricity Law (NEL) that the Ministerial Council on Energy (MCE) has given a direction under the NEL for the Commission to conduct of a review into the enforcement of, and compliance with, the technical standards under the National Electricity Rules.

A copy of the MCE direction and the terms of reference for the review are published on the Commission’s website.

The terms of reference set out the process for the conduct of the review. In accordance with the terms of reference, the Commission will release an Issues Paper inviting written submissions in relation to the issues relevant to this review.

John Tamblyn
