Dear Dr Tamblyn

### **Variation of Date of Publication of Transmission Network Prices**

ENERGEX Limited (ENERGEX) welcomes the opportunity to respond to the proposal submitted by Energy Australia to amend the National Electricity Rules (Rules) in relation to varying the publication date of transmission network prices.

ENERGEX supports the Rule change proposal to require TNSPs to publish transmission network prices by 15 March each year. ENEREX agrees that this change would streamline the annual price approval process and would reflect the arrangements currently in place in Queensland between ENEREX and Powerlink.

Please do not hesitate to contact me if you have any questions regarding this matter.

Yours sincerely
