

Notices under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law (NEL) of the following matters.

Under section 107, the period of time has been extended for:

- the preparation of the final determination on the draft National Electricity Amendment (Technical Standards for Wind and Other Generator Connections) Rule 2007 to **22 February 2007**; and
- the preparation of the final determination on the draft National Electricity Amendment (Transmission network replacement and reconfiguration) Rule 2007 to **1 March 2007**.

The Commission has decided not to proceed with the Rule change process on the proposed National Electricity Amendment (Origin Energy Participant Derogation (Technical Requirements for Mount Stuart Power Station)) Rule 2006 and has revoked its earlier decisions under sections 94 and 95 on this proposal.

Further details on the above matters are available on AEMC's website www.aemc.gov.au.
