

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matter.

Under section 95, AEMO has requested the *Timing for intervention compensation determinations* Rule proposal (Project Ref. ERC0099). The proposal seeks to extend the timeframes for AEMO to complete its obligations to finalise additional claims for compensation under clauses 3.12.2(l) and (m), and 3.15.7B(c) and (d) when an independent expert is appointed. The AEMC intends to expedite the Rule proposal under section 96 on the grounds that it considers the proposed Rule is non-controversial, subject to the receipt of written objections.

In relation to the proposal:

- written objections must be received by **25 February 2010**; and
- submissions must be received by **11 March 2010**.

Submissions on this proposal can be lodged online via the AEMC's website at www.aemc.gov.au. Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

Objections on this proposal can be forwarded to submissions@aemc.gov.au and must cite the Project Ref. in the title.

Before lodging your submission or objection, you must review the AEMC's privacy collection statement on its website. All documents in relation to the above matter are published on the AEMC's website and are available for inspection at the offices of the AEMC.
