

# Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 107, the period of time for the making of the draft determination on the proposed *National Electricity Amendment (Futures Offset Arrangements) Rule 2008* has been extended to **11 December 2008**.

Under sections 102 and 103, the making of the *National Electricity Amendment (Reclassification of Contingency Events) Rule 2008* No. 8 and corresponding final determination. All provisions commence on **23 October 2008**.

Under section 95, NEMMCO has requested the making of the proposed *National Electricity Amendment (Registration Changes for Traders, Reallocators, and Transfer of Registration) Rule 2008* (Project No. ERC0071). The proposal seeks to provide for eligibility requirements for Traders and Reallocators and the transfer of registered facilities to another party. The AEMC intends to expedite the making of the proposed Rule under section 96 on the grounds that the proposed Rule is non-controversial, subject to the receipt of written objections.

In relation to the proposal:

- written objections must be received by **17 October 2008**;
- submissions must be received by **31 October 2008**; and
- written objections and submissions may be forwarded to **submissions@aemc.gov.au** and must cite the Project No. in its title.

Submissions should be submitted in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

Further details on the above matters are available on the AEMC's website **www.aemc.gov.au** All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
