

Notice under National Energy Retail Law

The Australian Energy Market Commission (AEMC) gives notice under the National Energy Retail Law as follows:

Under s 251, Ergon Energy Queensland has requested the *Meter read and billing frequency* proposal (Ref. RRC0006). The proposal seeks to allow retailers to delay issuing a bill to a small customer on a standing offer until a meter read is provided by the Metering Data Provider. Submissions must be received by **28 January 2016**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
