

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under sections 102 and 103, the making of the *National Electricity Amendment (Timing for intervention compensation determinations) Rule 2010 No. 2* and related final determination. All provisions commence on **25 March 2010**.

Under section 95, AEMO has requested the *Aggregation of Ancillary Services Loads* Rule proposal (Project Ref. ERC0104). The proposal seeks to remove barriers to the aggregation of ancillary service loads for Market Ancillary Services. Submissions must be received by **23 April 2010**.

Submissions on this proposal can be lodged online via the AEMC's website at www.aemc.gov.au Before lodging your submission, you must review the AEMC's privacy collection statement on its website.

Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
