

About the stakeholder Advisory Committee

The first meeting of the Advisory Committee was held on 8 September 2008.

The Advisory Committee Terms of Reference include:

- To provide advice to the AEMC with respect to the Ministerial Council on Energy (MCE) directed Review of Energy Market frameworks in light of Climate Change Policies.
- To provide views to the AEMC on key issues and elements of each of the Review reports to be published for stakeholder comment, and
- Operate in accordance with the schedule provided by the MCE for the delivery of scoping, first and second and final reports.
