

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 107A, the period of time for the making of the final determination on the proposed *National Electricity Amendment (Confidentiality Arrangements in Respect of Information Required for Power System Studies) Rule 2009* (Project No. ERC0062) has been extended to **19 February 2009**. The AEMC requires further submissions on transitional arrangements for the information that NEMMCO currently holds and uses for power system modelling. Submissions must be received by **6 February 2009**.

Under section 99, the making of a draft determination for the proposed *National Electricity Amendment (Futures Offset Arrangements) Rule* (Project No. ERC0056). In relation to the draft determination:

- requests for a pre-determination hearing must be received by **30 January 2009**; and
- submissions must be received by **6 March 2009**.

All submissions and requests for a hearing should be forwarded to submissions@aemc.gov.au and must cite the Project No. in its title.

Submissions should be submitted in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

Under section 95, the AEMC Reliability Panel has requested the making of the proposed *National Electricity Amendment (NEM Reliability Settings: VoLL, CPT and Future Reliability Review) Rule 2009*. The proposal seeks to revise the Value of Lost Load and the Cumulative Price Threshold, and introduce a new process for reviewing reliability standards and settings. The AEMC has decided to fast track this Rule change request under section 96A of the NEL.

Further details on the above matters are available on the AEMC's website www.aemc.gov.au. All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
