

National Electricity Amendment (Simplification of NER definitions) Rule 2020 No. 17

under the National Electricity Law to the extent applied by:

- (a) the National Electricity (South Australia) Act 1996 of South Australia;
- (b) the Electricity (National Scheme) Act 1997 of the Australian Capital Territory;
- (c) the Electricity - National Scheme (Queensland) Act 1997 of Queensland;
- (d) the Electricity - National Scheme (Tasmania) Act 1999 of Tasmania;
- (e) the National Electricity (New South Wales) Act 1997 of New South Wales;
- (f) the National Electricity (Victoria) Act 2005 of Victoria;
- (g) the National Electricity (Northern Territory) (National Uniform Legislation) Act 2015 of the Northern Territory; and
- (h) the Australian Energy Market Act 2004 of the Commonwealth.

The Australian Energy Market Commission makes the following Rule under the National Electricity Law.

Merryn York
Acting Chairperson
Australian Energy Market Commission

National Electricity Amendment (Simplification of NER definitions) Rule 2020 No. 17

1 Title of Rule

This Rule is the *National Electricity Amendment (Simplification of NER definitions) Rule 2020 No. 17*.

2 Commencement

This Rule commences operation on 22 February 2021.

3 Amendment to the National Electricity Rules

The National Electricity Rules are amended as set out in Schedule 1.

Schedule 1 Amendment to the National Electricity Rules

(Clause 3)

[1] Rule 1.2 Background

In rule 1.2, omit "These Rules are the National Electricity Rules made under" and substitute "The National Electricity Rules are made under".

[2] Rule 1.2 Background

In rule 1.2, omit each reference to "*National Electricity Law*" and substitute "*NEL*".

[3] Clause 1.3.1 Introduction

Before clause 1.3.1, insert:

1.3.1A1 Definitions

In this rule, "**numbered**" means identified by one or more numbers or one or more letters, or by a combination of one or more numbers and one or more letters.

[4] Clause 1.3.1 Introduction

In clause 1.3.1, omit clause 1.3.1(b).

[5] Clause 1.7.1 General

In clause 1.7.1, omit "*National Electricity Law*" and substitute "*NEL*".

[6] Clause 1.11 AEMO Rule Funds

In clause 1.11(a), omit "(each a "*Rule fund*")" and substitute "(each being a *Rule Fund*)".

[7] Clause 2.2.1 Registration as a Generator

In clause 2.2.1(a), omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[8] Clause 2.3.1 Registration as a Customer

In clause 2.3.1(a), omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[9] Clause 2.3A.1 Registration

In clause 2.3A.1(a), omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[10] Clause 2.3AA.1 Registration

In clause 2.3AA.1(b)(1), omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[11] Clause 2.4A.1 Registration as a Metering Coordinator

In clause 2.4A.1(a), omit "*metering services*" and substitute "metering services".

[12] Clause 2.5.1 Registration as a Network Service Provider

In clause 2.5.1(a), omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[13] Clause 2.5.1 Registration as a Network Service Provider

In clause 2.5.1(e1), omit each reference to "*transmission or distribution systems*" and substitute "*transmission systems or distribution systems*".

[14] Clause 2.5.1 Registration as a Network Service Provider

In clause 2.5.1(g), omit each reference to "*transmission or distribution systems*" and substitute "*transmission systems or distribution systems*".

[15] Rule 2.5A Trader

In clause 2.5A(b)(1), omit "*National Electricity Law*" and substitute "*NEL*".

[16] Clause 2.9.3 Registration as an Intermediary

In clause 2.9.3(a), omit "*National Electricity Law*" and substitute "*NEL*".

[17] Clause 2.10.1 Notification of intention

In clause 2.10.1(b), omit "*National Electricity Law*" and substitute "*NEL*".

[18] Clause 2.11.1 Development of Participant fee structure

In clause 2.11.1(c)(4), omit "*metering fees*" and substitute "metering fees".

[19] Clause 2A.1.1 Definitions

Omit clause 2A.1.1 (including the heading) and substitute:

2A.1.1 Definitions

In this Chapter 2A:

alternative congestion management options

The alternative means of managing the congestion problem identified in clause 2A.2.2 as referred to in clause 2A.2.5.

alternative proponent

A *Registered Participant* or *AEMO* who requests the *AEMC* in a first round submission, to treat a proposed alternative region solution as a formal alternative region solution in accordance with clause 2A.4.3(b).

applicant

A *Registered Participant* or *AEMO* who makes a region change application to the *AEMC* under rule 2A.2

complete alternative region solution

A proposed alternative region solution that satisfies the requirements of clause 2A.4.3(c).

complete application

A region change application that meets the requirements of rule 2A.2.

congestion problem

The problem identified in clause 2A.2.2.

first round consultation notice

The notice published by the *AEMC* in accordance with clause 2A.4.1.

first round consultation period

The period of time referred to in clause 2A.4.1(b)(2) that is within 75 *business days* of the date of the first round consultation notice.

first round submission

A written submission made within the first round consultation period in accordance with clause 2A.4.2.

formal alternative region solution

A proposed alternative region solution that the *AEMC* is satisfied is a complete alternative region solution under clause 2A.4.4(c).

implementation period

The period commencing on the date of a final region determination made in accordance with clause 2A.8.1 and ending on the start date.

Loss Factors Publication

The document *published* by *AEMO* from time to time under clauses 3.6.1(f) and 3.6.2(f1) that sets out *marginal loss factors*.

modified regions

The *regions* identified in the current *Regions Publication* modified as a result of a region determination taking effect that determines to make a change to existing *regions*.

new regions

The unmodified *regions* and the modified *regions*.

old regions

The *regions* identified in the current *Regions Publication* immediately prior

to the start date.

proposed alternative region solution

An alternative *region* solution proposed by an alternative proponent in a first round submission as an alternative to the solution proposed in the region change application.

region change application

An application for a *region* change made under rule 2A.2.

region change implementation function

A function referred to in rule 2A.12.

region change implementation procedure

A procedure referred to in rule 2A.11 approved by the *AEMC* in a region determination, as amended from time to time in accordance with Part B of Chapter 2A.

region determination

A determination made by the *AEMC* under Chapter 2A and includes a draft region determination or a final region determination as the context requires.

second round consultation notice

The notice published by the *AEMC* in accordance with clause 2A.7.2.

second round consultation period

The period of time referred to in clause 2A.7.2(b)(2) that is within 60 *business days* of the date of the second round consultation notice.

second round submission

A written submission made within the second round consultation period in accordance with clause 2A.7.3.

start date

The date nominated by the *AEMC* in a final region determination on which a change to the existing *regions* comes into effect.

technically competent application

A region change application that meets the technical requirements in clause 2A.2.4.

unmodified regions

The *regions* whose boundaries are not affected by a region determination.

[20] Clause 2A.2.5 Alternative congestion management options

In clause 2A.2.5(b)(3), omit "*network support and control ancillary services*" and substitute "*NSCASS*".

[21] Schedule 2A.1 Glossary for Chapter 2A

Omit Schedule 2A.1.

[22] Clause 3.1.4 Market design principles

In clause 3.1.4(a)(7), omit "*National Electricity Law*" and substitute "*NEL*".

[23] Clause 3.2.2 Spot market

In clause 3.2.2(c), omit "*spot prices at each regional reference node*" and substitute "*a regional reference price for each region*".

[24] Clause 3.2.3 Power system operations

In clause 3.2.3(b), omit "*projected assessment of system adequacy processes (PASA)*" and substitute "*PASAs*".

[25] Clause 3.3.3 Acceptable credit criteria

In clause 3.3.3(f), omit "*have an acceptable rating*" and substitute "*a credit rating determined as acceptable under clause 3.3.4*".

[26] Clause 3.3.4 Acceptable credit rating

In clause 3.3.4(a), omit "*acceptable credit rating*" and substitute "*acceptable credit rating*".

[27] Clause 3.3.4 Acceptable credit rating

In clause 3.3.4(b), omit "*acceptable credit rating*" and substitute "*acceptable credit rating*".

[28] Clause 3.3.4 Acceptable credit rating

In clause 3.3.4(c), omit "*acceptable credit rating*" and substitute "*acceptable credit rating*".

[29] Clause 3.4.1 Establishment of spot market

In clause 3.4.1(b)(1), omit "*a spot price for energy to apply at each regional reference node*" and substitute "*a regional reference price for each region*".

[30] Clause 3.6.1 Inter-regional losses

In clause 3.6.1(b)(3), omit "*prices of electricity at regional reference nodes*" and substitute "*regional reference prices*".

[31] Clause 3.6.2 Intra-regional losses

In clause 3.6.2(c), omit "*local spot price*" and substitute "*spot price*".

[32] Clause 3.6.5 Settlements residue due to network

losses and constraints

In clause 3.6.5, before clause 3.6.5(a), insert:

Definitions

(a0) In this clause 3.6.5:

importing region means the *region* to which electricity is transferred during the relevant *trading interval* from another *region* through *regulated interconnectors*.

[33] Clause 3.6.5 Settlements residue due to network losses and constraints

In clause 3.6.5, omit clause 3.6.5(a)(4D) and substitute "[Deleted]".

[34] Clause 3.7.2 Medium term PASA

In clause 3.7.2(b), omit "*changes*" and substitute "changes".

[35] Clause 3.7.3 Short term PASA

In clause 3.7.3(c), omit "*changes*" and substitute "changes".

[36] Clause 3.7.3 Short term PASA

In clause 3.7.3(f), omit "*PASA process*" and substitute "*PASA*".

[37] Rule 3.7A Congestion information resource

In clause 3.7A(b)(2), omit "*national electricity market*" and substitute "*NEM*".

[38] Rule 3.7B Unconstrained intermittent generation forecast

In clause 3.7B(a)(1), omit "*projected assessment of system adequacy process*" and substitute "*PASA*".

[39] Rule 3.7C Energy Adequacy Assessment Projection

In clause 3.7C(a), omit "*energy adequacy assessment projection (or EEAP)*" and substitute "*EEAP*".

[40] Rule 3.7C Energy Adequacy Assessment Projection

In clause 3.7C(i), omit "*material change*" and substitute "material change".

[41] Rule 3.7D Demand side participation information

In clause 3.7D(e)(1)(i), omit "*contracted demand side participation*" and substitute "*contracted demand side participation*".

[42] Rule 3.7D Demand side participation information

In clause 3.7D(e)(1)(ii), omit "unscheduled generation" and substitute "*unscheduled generation*".

[43] Rule 3.7D Demand side participation information

In clause 3.7D(e)(1)(iii), omit "unscheduled generation" and substitute "*unscheduled generation*".

[44] Rule 3.7D Demand side participation information

In clause 3.7D(e)(1)(iv), omit "unscheduled generation" and substitute "*unscheduled generation*".

[45] Rule 3.7D Demand side participation information

In clause 3.7D(e)(1)(v), omit "unscheduled generation" and substitute "*unscheduled generation*".

[46] Rule 3.7D Demand side participation information

In clause 3.7D(i), omit "these *Rules*" and substitute "the *Rules*".

[47] Rule 3.7E Register of DER information

In clause 3.7E(e), including in the **Note**, omit each reference to "*National Electricity Law*" and substitute "*NEL*".

[48] Rule 3.7E Register of DER information

In clause 3.7E(k), omit "these *Rules*" and substitute "the *Rules*".

[49] Rule 3.7E Register of DER information

In clause 3.7E(r)(2), omit "these *Rules*" and substitute "the *Rules*".

[50] Rule 3.7E Register of DER information

In clause 3.7E(r)(2), omit "*National Electricity Law*" and substitute "*NEL*".

[51] Clause 3.8.3 Bid and offer aggregation guidelines

In clause 3.8.3(b)(4), omit "*automatic generation control systems*" and substitute "*AGCs*".

[52] Clause 3.8.3 Bid and offer aggregation guidelines

In clause 3.8.3(f), omit "*PASA process*" and substitute "*PASA*".

[53] Clause 3.8.4 Notification of scheduled capacity

In clause 3.8.4(b), omit "*changes*" and substitute "changes".

[54] Clause 3.8.19 Dispatch inflexibilities

In clause 3.8.19(a), omit "*PASA process*" and substitute "*PASA*".

[55] Clause 3.8.21 On-line dispatch process

In clause 3.8.21(d), omit "*automatic generation control system*" and substitute "*AGC*".

[56] Clause 3.8.21 On-line dispatch process

In clause 3.8.21(g), omit "*automatic generation control*" and substitute "*AGC*".

[57] Clause 3.8.22A Offers, bids and rebids must not be false or misleading

In clause 3.8.22A, in the **Note**, omit "*National Electricity Law*" and substitute "*NEL*".

[58] Clause 3.9.1 Principles applicable to spot price determination

In clause 3.9.1(a)(2), omit "a *spot price at a regional reference node*" and substitute "a *regional reference price*".

[59] Clause 3.9.1 Principles applicable to spot price determination

In clause 3.9.1(b), omit "which is the *spot price at the regional reference node*".

[60] Clause 3.9.1 Principles applicable to spot price determination

In clause 3.9.1(c), omit "*local spot price*" and substitute "local *spot price*".

[61] Clause 3.9.2 Determination of spot prices

In clause 3.9.2(h), omit "*spot price at a regional reference node*" and substitute "*regional reference price*".

[62] Clause 3.9.2B Pricing where AEMO determines a manifestly incorrect input

In clause 3.9.2B, omit clause 3.9.2B(a) and substitute:

Definitions

(a) In this clause 3.9.2B:

affected dispatch interval has the meaning given to it by clause 3.9.2B(d).

automated procedures has the meaning given to it by clause

3.9.2B(h).

dispatch interval subject to review has the meaning given to it by clause 3.9.2B(b).

input means any value that is used by the *dispatch algorithm* including measurements of *power system* status, five minute demand forecast values, *constraint* equations entered by *AEMO*, or software setup but not including *dispatch bids* and *dispatch offers* submitted by *Registered Participants*.

last correct dispatch interval means the most recent *dispatch interval* preceding the affected *dispatch interval* that is not itself an affected *dispatch interval*.

[63] Clause 3.9.3A Reliability standard and settings review

In clause 3.9.3A(c), omit "these *Rules*" and substitute "the *Rules*".

[64] Clause 3.9.3A Reliability standard and settings review

In clause 3.9.3A(e)(3)(ii), omit "*National Electricity Market*" and substitute "*NEM*".

[65] Clause 3.9.3C Reliability standard and interim reliability measure

In clause 3.9.3C(a), omit "*national electricity market*" and substitute "*NEM*".

[66] Clause 3.9.3C Reliability standard and interim reliability measure

In clause 3.9.3C(a1), omit "*national electricity market*" and substitute "*NEM*".

[67] Clause 3.9.3D Implementation of the reliability standard

In clause 3.9.3D(d), omit "these *Rules*" and substitute "the *Rules*".

[68] Clause 3.11.2A AER reporting on market ancillary services markets

In clause 3.11.2A(a), omit "*National Electricity Law*" and substitute "*NEL*".

[69] Clause 3.11.5 Tender process for network support and control ancillary services

In clause 3.11.5(a1), omit each reference to "a *network support and control ancillary service*" and substitute "an *NSCAS*".

[70] Clause 3.11.5 Tender process for network support and control ancillary services

In clause 3.11.5(b)(1), omit "*network support and control ancillary services*" and substitute "*NSCAs*".

[71] Clause 3.11.5 Tender process for network support and control ancillary services

In clause 3.11.5(b)(2), omit "*network support and control ancillary services*" and substitute "*NSCAs*".

[72] Clause 3.11.5 Tender process for network support and control ancillary services

In clause 3.11.5(b)(3), omit "*network support and control ancillary services*" and substitute "*NSCAs*".

[73] Clause 3.11.5 Tender process for network support and control ancillary services

In clause 3.11.5(b)(4), omit "*network support and control ancillary services*" and substitute "*NSCAs*".

[74] Clause 3.11.5 Tender process for network support and control ancillary services

In clause 3.11.5(b)(5), omit "*network support and control ancillary service*" and substitute "*NSCAs*".

[75] Clause 3.11.5 Tender process for network support and control ancillary services

In clause 3.11.5(f)(2), omit "*a network support and control ancillary service*" and substitute "*an NSCAs*".

[76] Clause 3.11.5 Tender process for network support and control ancillary services

In clause 3.11.5(l), omit "*network support and control ancillary services*" and substitute "*NSCAs*".

[77] Clause 3.11.5 Tender process for network support and control ancillary services

In clause 3.11.5(m), omit "*a network support and control ancillary service*" and "*network support and control ancillary service*" and substitute "*an NSCAs*" and "*NSCAs*", respectively.

[78] Clause 3.11.6 Dispatch of network support and control ancillary services by AEMO

In clause 3.11.6(a)(2), omit "*network support and control ancillary services*" and substitute "*NSCAs*".

[79] Clause 3.11.7 Guidelines and objectives for acquisition of system restart ancillary services by AEMO

In clause 3.11.7(a), omit "*system restart ancillary services*" and substitute "*SRAs*".

[80] Clause 3.11.7 Guidelines and objectives for acquisition of system restart ancillary services by AEMO

In clause 3.11.7(b), omit "*system restart ancillary service*" and substitute "*SRAs*".

[81] Clause 3.11.7 Guidelines and objectives for acquisition of system restart ancillary services by AEMO

In clause 3.11.7(d)(1), omit "*system restart ancillary service*" and substitute "*SRAs*".

[82] Clause 3.11.7 Guidelines and objectives for acquisition of system restart ancillary services by AEMO

In clause 3.11.7(d)(2), omit "*system restart ancillary services*" and substitute "*SRAs*".

[83] Clause 3.11.7 Guidelines and objectives for acquisition of system restart ancillary services by AEMO

In clause 3.11.7(d)(3), omit "*system restart ancillary services*" and substitute "*SRAs*".

[84] Clause 3.11.7 Guidelines and objectives for acquisition of system restart ancillary services by AEMO

In clause 3.11.7(d)(4), omit each reference to "*system restart ancillary services*" and substitute "*SRAs*".

[85] Clause 3.11.7 Guidelines and objectives for acquisition of system restart ancillary services by AEMO

In clause 3.11.7(d)(5), omit "*system restart ancillary services*" and substitute "*SRAs*".

[86] Clause 3.11.7 Guidelines and objectives for acquisition of system restart ancillary services by AEMO

In clause 3.11.7(d)(6), omit "*system restart ancillary services*" and substitute "*SRAs*".

[87] Clause 3.11.7 Guidelines and objectives for acquisition of system restart ancillary services by AEMO

In clause 3.11.7(d)(7), omit "*system restart ancillary services*" and substitute "*SRAs*".

[88] Clause 3.11.8 Determination of electrical sub-network boundaries

In clause 3.11.8(a), omit "*system restart ancillary services*" and substitute "*SRASs*".

[89] Clause 3.11.9 Acquisition of system restart ancillary services by AEMO

In clause 3.11.9(a), omit "a *system restart ancillary service*" and "*system restart ancillary services*" and substitute "an *SRAS*" and "*SRASs*", respectively.

[90] Clause 3.11.9 Acquisition of system restart ancillary services by AEMO

In clause 3.11.9(b), omit "*system restart ancillary services*" and substitute "*SRASs*".

[91] Clause 3.11.9 Acquisition of system restart ancillary services by AEMO

In clause 3.11.9(c), omit "*system restart ancillary service*" and "*system restart ancillary services*" and substitute "*SRAS*" and "*SRASs*".

[92] Clause 3.11.9 Acquisition of system restart ancillary services by AEMO

In clause 3.11.9(d), omit "*system restart ancillary services*" and substitute "*SRASs*".

[93] Clause 3.11.9 Acquisition of system restart ancillary services by AEMO

In clause 3.11.9(e), omit each reference to "*system restart ancillary services*" and substitute "*SRASs*".

[94] Clause 3.11.9 Acquisition of system restart ancillary services by AEMO

In clause 3.11.9(f), omit "a *system restart ancillary service*" and "*system restart ancillary service*" and substitute "an *SRAS*" and "*SRAS*", respectively.

[95] Clause 3.11.9 Acquisition of system restart ancillary services by AEMO

In clause 3.11.9(g), omit "*system restart ancillary service*" and substitute "*SRAS*".

[96] Clause 3.11.9 Acquisition of system restart ancillary services by AEMO

In clause 3.11.9(i)(1), omit "a *system restart ancillary service*" and substitute "an

SRAS".

[97] Clause 3.11.9 Acquisition of system restart ancillary services by AEMO

In clause 3.11.9(i)(2), omit "*system restart ancillary services*" and substitute "*SRASs*".

[98] Clause 3.11.9 Acquisition of system restart ancillary services by AEMO

In clause 3.11.9(i)(3), omit "*a system restart ancillary service*" and substitute "*an SRAS*".

[99] Clause 3.11.10 Reporting

In clause 3.11.10(a), omit "*system restart ancillary services*" and substitute "*SRASs*".

[100] Clause 3.11.10 Reporting

In clause 3.11.10(b)(1), omit "*system restart ancillary services*" and substitute "*SRASs*".

[101] Clause 3.11.10 Reporting

In clause 3.11.10(b)(2), omit "*system restart ancillary services*" and substitute "*SRASs*".

[102] Clause 3.13.1 Provision of information

In clause 3.13.1(b), omit "*the regional reference price at any regional reference node*" and substitute "*regional reference prices*".

[103] Clause 3.13.2 Systems and procedures

In clause 3.13.2(h), omit "*changes*" and substitute "changes".

[104] Clause 3.13.2 Systems and procedures

In clause 3.13.2(i), omit "*changes*" and substitute "changes".

[105] Clause 3.13.3 Standing data

In clause 3.13.3(c)(2), omit "*metering information*" and substitute "metering information".

[106] Clause 3.13.3 Standing data

In clause 3.13.3(g), omit "*changes*" and substitute "changes".

[107] Clause 3.13.3 Standing data

In clause 3.13.3(h), omit "any *changes*" and substitute "any changes".

[108] Clause 3.13.3 Standing data

In clause 3.13.3(h), omit "planned *changes*" and substitute "planned changes".

[109] Clause 3.13.3 Standing data

In clause 3.13.3(h), omit "unplanned *changes*" and substitute "unplanned changes".

[110] Clause 3.13.3 Standing data

In clause 3.13.3(i), omit "any *changes*" and substitute "any changes".

[111] Clause 3.13.3 Standing data

In clause 3.13.3(i), omit "planned *changes*" and substitute "planned changes".

[112] Clause 3.13.3 Standing data

In clause 3.13.3(i), omit "unplanned *changes*" and substitute "unplanned changes".

[113] Clause 3.13.3 Standing data

In clause 3.13.3(j), omit "*changes*" and substitute "changes".

[114] Clause 3.13.3A Statement of opportunities

In clause 3.13.3A(a)(8), omit "contracted demand side participation" and substitute "*contracted demand side participation*".

[115] Clause 3.13.3A Statement of opportunities

Omit clause 3.13.3A(j).

[116] Clause 3.13.3AA Standing data: Project developers

In clause 3.13.3AA(b)(2), omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[117] Clause 3.13.4 Spot market

In clause 3.13.4(i), omit "*change*" and "*significant change*" and substitute "change" and "significant change", respectively.

[118] Clause 3.13.10 Market auditor

In clause 3.13.10, before clause 3.13.10(a), insert:

Definitions

(a0) In this clause 3.13.10:

review means an examination of the specified matters conducted to the standard specified for a "review" in Auditing Standard AUS106: "Explanatory Framework for standards on Audit and Audit Related Services" prepared by the Auditing Standards Board, as varied from time to time.

[119] Clause 3.13.10 Market auditor

In clause 3.13.10(a), omit "*reviews*" and "*review*" and substitute "reviews" and "review", respectively.

[120] Clause 3.13.10 Market auditor

In clause 3.13.10(b), omit "*reviews*" and substitute "reviews".

[121] Clause 3.13.12 NMI Standing Data

In clause 3.13.12(k)(4), omit "*these Rules*" and substitute "*the Rules*".

[122] Clause 3.13.12 NMI Standing Data

In clause 3.13.12(k)(4), omit "*National Electricity Law*" and substitute "*NEL*".

[123] Clause 3.13.14 Carbon Dioxide Equivalent Intensity Index

In clause 3.13.14(f), omit "*National Electricity Market*" and substitute "*NEM*".

[124] Clause 3.13.14 Carbon Dioxide Equivalent Intensity Index

In clause 3.13.14(j), omit "*changed*" and substitute "changed".

[125] Clause 3.13.14 Carbon Dioxide Equivalent Intensity Index

In clause 3.13.14(k), omit "*changed*" and substitute "changed".

[126] Clause 3.13.14 Carbon Dioxide Equivalent Intensity Index

In clause 3.13.14(l)(1), omit "*changed*" and substitute "changed".

[127] Clause 3.14.4 Declaration of market suspension

In clause 3.14.4(d)(2), omit "*time*" and substitute "time".

[128] Clause 3.14.4 Declaration of market suspension

In clause 3.14.4(e)(2), omit "*time*" and substitute "time".

[129] Clause 3.14.5 Pricing during market suspension

In clause 3.14.5, before clause 3.14.5(a), insert:

Definitions

(a0) In this clause 3.14.5:

suspension node has the meaning given to it in clause 3.14.5(f).

[130] Clause 3.14.5 Pricing during market suspension

In clause 3.14.5(d)(1), omit "*time*" and substitute "time".

[131] Clause 3.14.5 Pricing during market suspension

In clause 3.14.5(d)(2), omit "*time*" and substitute "time".

[132] Clause 3.14.5 Pricing during market suspension

In clause 3.14.5(d)(3), omit "*time*" and substitute "time".

[133] Clause 3.14.5A Payment of compensation due to market suspension pricing schedule periods

In clause 3.14.5A(k), omit "Inputs, Assumptions and Scenario Report (as defined in clause 5.10.2)" and substitute "*Inputs, Assumptions and Scenario Report*".

[134] Clause 3.14.6 Compensation due to the application of an administered price cap or administered floor price

In clause 3.14.6, omit the heading "**Eligibility for compensation**" and substitute "**Definitions**".

[135] Clause 3.14.6 Compensation due to the application of an administered price cap or administered floor price

In clause 3.14.6(a), insert the following new definitions in alphabetical order:

draft opportunity cost methodology has the meaning given to it in clause 3.14.6(o)(2).

submission closing date has the meaning given to it in clause 3.14.6(o)(3).

[136] Clause 3.14.6 Compensation due to the application of an administered price cap or administered floor price

In clause 3.14.6, insert the heading "**Eligibility for compensation**" for clause 3.14.6(b).

[137] Clause 3.15.6A Ancillary service transactions

In clause 3.15.6A(c2)(2), omit "*system restart ancillary services*" and substitute "*SRASs*".

[138] Clause 3.15.6A Ancillary service transactions

In clause 3.15.6A(c4)(2), omit "a *system restart ancillary service*" and substitute "an *SRAS*".

[139] Clause 3.15.6A Ancillary service transactions

In clause 3.15.6A, before clause 3.15.6A(a), insert:

Definitions

(a0) In this clause 3.15.6A:

customer energy in respect of a *Market Customer* for a *trading interval* means the sum of the *adjusted gross energy* figures calculated for that *trading interval* in respect of that *Market Customer's* relevant *connection points*;

a *connection point* is a relevant *connection point* of a *Market Customer* if:

- (1) the *Market Customer* is *financially responsible* for the *connection point*; and
- (2) the *load* at that *connection point* has been classified (or is deemed to be classified) as a *market load*.

generator energy in respect of a *Market Generator* for a *trading interval* means the sum of the *adjusted gross energy* figures calculated for that *trading interval* in respect of that *Market Generator's* applicable *connection points*, provided that, if the sum of those figures is negative, then the *Market Generator's generator energy* for that *trading interval* is zero;

a *connection point* is an applicable *connection point* of a *Market Generator* if:

- (1) the *Market Generator* is *financially responsible* for the *connection point*; and
- (2) the *connection point* connects a *market generating unit* to the *national grid*.

regional benefit ancillary services procedures means the procedures to determine the relative benefit that each *region* is estimated to receive from the provision of *NMAS*.

regional benefit factors means the factors to allocate, between *regions*, the costs associated with the provision of *NMAS* under each *ancillary services agreement* in accordance with the regional benefit ancillary services procedures.

Scheduled Participant has the meaning given to it by clause 3.15.6A(k)(5).

small generator energy in respect of a *Market Small Generation Aggregator* for a *trading interval* means the sum of the *adjusted gross energy* figures calculated for that *trading interval* in respect of that *Market Small Generation Aggregator's* applicable *connection points*, provided that, if the sum of those figures is negative, then the *Market*

Small Generation Aggregator's small generator energy for that *trading interval* is zero; and

a *connection point* is an applicable *connection point* of a *Market Small Generator Aggregator* if:

- (1) the *Market Small Generator Aggregator* is *financially responsible* for the *connection point*; and
- (2) the *connection point* connects a *small generating unit* classified as a *market generating unit* to the *national grid*.

[140] Clause 3.15.6A Ancillary service transactions

In clause 3.15.6A, omit clause 3.15.6A(c1) and substitute "[Deleted]".

[141] Clause 3.15.6A Ancillary service transactions

In clause 3.15.6A(d), omit each reference to "*system restart ancillary service*" and substitute "*SRAS*".

[142] Clause 3.15.6A Ancillary service transactions

In clause 3.15.6A(e), omit "*system restart ancillary service*" and substitute "*SRAS*".

[143] Clause 3.15.6A Ancillary service transactions

In clause 3.15.6A(i)(1), omit "*metering*" and substitute "metering".

[144] Clause 3.15.6A Ancillary service transactions

In clause 3.15.6A(k)(2), omit "*metering*" and substitute "metering".

[145] Clause 3.15.6A Ancillary service transactions

In clause 3.15.6A(k)(3), omit "*metering*" and substitute "metering".

[146] Clause 3.15.6A Ancillary service transactions

In clause 3.15.6A, omit clause 3.15.6A(o) and substitute "[Deleted]".

[147] Clause 3.15.8 Funding of Compensation for directions

In clause 3.15.8, before clause 3.15.8(a), insert:

Definitions

(a0) In this clause 3.15.8:

ancillary service compensation recovery amount has the meaning given to it in clause 3.15.8(e).

customer energy in respect of a *Market Customer* for a *trading interval* means the sum of the *adjusted gross energy* figures calculated for that *trading interval* in respect of that *Market Customer's* relevant connection points;

a *connection point* is a "relevant connection point" of a *Market Customer* if:

- (1) the *Market Customer* is *financially responsible* for the *connection point*; and
- (2) the *load* at that *connection point* has been classified (or is deemed to be classified) as a *market load*.

generator energy in respect of a *Market Generator* for a *trading interval* means the sum of the *adjusted gross energy* figures calculated for that *trading interval* in respect of that *Market Generator's* applicable connection points, provided that, if the sum of those figures is negative, then the *Market Generator's* generator energy for that *trading interval* is zero;

a *connection point* is an "applicable connection point" of a *Market Generator* if:

- (1) the *Market Generator* is financially responsible for the *connection point*; and
- (2) the *connection point* connects a *market generating unit* to the *national grid*.

small generator energy in respect of a *Market Small Generation Aggregator* for a *trading interval* means the sum of the *adjusted gross energy* figures calculated for that *trading interval* in respect of that *Market Small Generation Aggregator's* applicable connection points, provided that, if the sum of those figures is negative, then the *Market Small Generation Aggregator's* small generator energy for that *trading interval* is zero; and

a *connection point* is an "applicable connection point" of a *Market Small Generation Aggregator* if:

- (1) the *Market Small Generation Aggregator* is *financially responsible* for the *connection point*; and
- (2) the *connection point* connects a *small generating unit* classified as a *market generating unit* to the *national grid*.

[148] Clause 3.15.8 Funding of Compensation for directions

In clause 3.15.8, omit clause 3.15.8(h).

[149] Clause 3.15.8A Funding of compensation for market suspension pricing schedule periods

In clause 3.15.8A, before clause 3.15.8A(a), insert:

Definitions

(a0) In this clause:

ancillary service compensation recovery amount has the meaning given to it in clause 3.15.8A(f).

[150] Clause 3.15.9A Procurer of last resort cost allocation

In clause 3.15.9A(b)(1), omit "*National Electricity Law*" and substitute "*NEL*".

[151] Clause 3.15.9A Procurer of last resort cost allocation

In clause 3.15.9A(f), in the **Note**, omit "*National Electricity Law*" and substitute "*NEL*".

[152] Clause 3.15.10 Administered price cap or administered floor price compensation payments

In clause 3.15.10(a1), omit "eligibility period" and substitute "*eligibility period*".

[153] Clause 3.15.10 Administered price cap or administered floor price compensation payments

In clause 3.15.10(b), omit each reference to "eligibility period" and substitute "*eligibility period*".

[154] Clause 3.15.10A Goods and services tax

In clause 3.15.10A(b), omit "system security *direction settlements*," and substitute "*direction settlements*".

[155] Clause 3.15.16 Payment by market participants

Omit clause 3.15.16 except the **Note** and substitute "On each *payment date*, and in accordance with the *timetable*, each *Market Participant* must pay to *AEMO* in cleared funds the net amount stated to be payable by that *Market Participant* in the relevant *final statement*, whether or not the *Market Participant* continues to dispute the net amount payable."

[156] Clause 3.15.21 Default procedure

In clause 3.15.21, before clause 3.15.21(a), insert:

Definitions

(a0) In this clause 3.15.21:

default notice has the meaning given to it in clause 3.15.21(b).

[157] Clause 3.15.22 Maximum total payment in respect of a billing period

In clause 3.15.22(a)(1), omit "in accordance with the *timetable* on the latest date for payment by *Market Participants* as described in clause 3.15.16 (called the *payment date*)" and substitute "on the *payment date* in accordance with the *timetable*".

[158] Clause 3.15.22 Maximum total payment in respect of a billing period

In clause 3.15.22(a)(3), omit "in accordance with the *timetable* on the latest date for payment as described in clause 3.15.16 (called the *payment date*)" and substitute "on the *payment date* in accordance with the *timetable*".

[159] Clause 3.15.22 Maximum total payment in respect of a billing period

In clause 3.15.22(a)(4), omit "in accordance with the *timetable* on the latest date for payment as described in clause 3.15.16 (called the *payment date*)" and substitute "on the *payment date* in accordance with the *timetable*".

[160] Clause 3.18.1 Settlements residue concepts

In clause 3.18.1(b), omit "*settlements residue distribution agreement* or *SRD agreement*" and substitute "*SRD agreement*".

[161] Clause 3.20.2 Reliability and emergency reserve trader

In clause 3.20.2(a), omit "(*reliability and emergency reserve trader* or *RERT*)" and substitute "(*RERT*)".

[162] Clause 3.20.6 Reporting on RERT by AEMO

In clause 3.20.6, before clause 3.20.6(a), insert:

Definitions

(a0) In this clause 3.20.6:

RERT report has the meaning given to it in clause 3.20.6(b).

[163] Clause 3.20.7 AEMO's exercise of the RERT

In clause 3.20.7(c), omit "activate" and substitute "*activate*".

[164] Schedule 3.1 Bid and Offer Validation Data

In Schedule 3.1(c), omit "*changes*" and substitute "changes".

[165] Schedule 3.1 Bid and Offer Validation Data

In Schedule 3.1(e), omit "*changes*" and substitute "changes".

[166] Clause 4.1.1 Purpose

In clause 4.1.1(b), omit "*National Electricity Law*" and substitute "*NEL*".

[167] Clause 4.2.6 General principles for maintaining power system security

In clause 4.2.6(e), omit "*system restart ancillary services*" and substitute "*SRASs*".

[168] Clause 4.3.1 Responsibility of AEMO to power system security

In clause 4.3.1(p), omit each reference to "*system restart ancillary services*" and substitute "*SRASs*".

[169] Clause 4.3.2 System security

In clause 4.3.2(ha)(2), omit "*under frequency scheme*" and substitute "*under-frequency scheme*".

[170] Clause 4.3.2 System security

In clause 4.3.2(ha)(3), omit "*over frequency scheme*" and substitute "*over-frequency scheme*".

[171] Clause 4.3.2 System security

In clause 4.3.2(m), omit "*under frequency scheme*" and substitute "*under-frequency scheme*".

[172] Clause 4.3.2 System security

In clause 4.3.2(n), omit "*over frequency scheme*" and substitute "*over-frequency scheme*".

[173] Clause 4.3.4 Network Service Providers

In clause 4.3.4(a1)(1), omit "*system restart ancillary services*" and substitute "*SRASs*".

[174] Clause 4.3.4 Network Service Providers

In clause 4.3.4(b1), omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[175] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d), omit "*network support and control ancillary services*" and substitute "*NSCASs*".

[176] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(1), omit "*network support and control ancillary service*" and substitute "*NSCAS*".

[177] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(1)(i), omit "*network support and control ancillary service*" and substitute "*NSCAS*".

[178] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(1)(ii), omit "*network support and control ancillary service*" and

substitute "NSCAS".

[179] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(1)(iii), omit "*network support and control ancillary service*" and substitute "NSCAS".

[180] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(1)(iv), omit "*network support and control ancillary service*" and substitute "NSCAS".

[181] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(1)(v), omit "*network support and control ancillary service*" and substitute "NSCAS".

[182] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(1)(vi), omit "*network support and control ancillary service*" and substitute "NSCAS".

[183] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(1)(vii), omit "*network support and control ancillary service*" and substitute "NSCAS".

[184] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(2), omit "*network support and control ancillary service*" and substitute "NSCAS".

[185] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(2)(i) omit "*network support and control ancillary service*" and substitute "NSCAS".

[186] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(2)(ii), omit "*network support and control ancillary service*" and substitute "NSCAS".

[187] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(2)(iii), omit "*network support and control ancillary service*" and substitute "NSCAS".

[188] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(3), omit "*network support and control ancillary service*" and substitute "NSCAS".

[189] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d)(4), omit each reference to "*network support and control ancillary service*" and substitute "*NSCAS*".

[190] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d1), omit each reference to "*network support and control ancillary service*" and substitute "*NSCAS*".

[191] Clause 4.3.4 Network Service Providers

In clause 4.3.4(d2), omit each reference to "*network support and control ancillary service*" and substitute "*NSCAS*".

[192] Clause 4.5.1 Power system voltage control

In clause 4.5.1(f), omit "*reactive power facilities*" and substitute "*reactive plant*".

[193] Clause 4.5.1 Power system voltage control

In clause 4.5.1(g), omit "*reactive power facilities*" and substitute "*reactive plant*".

[194] Clause 4.5.1 Power system voltage control

In clause 4.5.1(g)(2), omit "*synchronous condensers*" and substitute "*synchronous condensers*".

[195] Clause 4.8.4A Reserve level declaration guidelines

In clause 4.8.4A, before clause 4.8.4A(a), insert:

Definitions

(a0) In this clause 4.8.4A:

probability assessment has the meaning given to it in clause 4.8.4A(b)(1).

[196] Clause 4.8.4B Lack of reserve framework reporting

In clause 4.8.4B, omit clause 4.8.4B(a) and substitute:

In clause 4.8.9(a)(2), omit "*National Electricity Law*" and substitute "*NEL*".

[199] Clause 4.8.9 Power to issue directions and clause 4.8.9 instructions

In clause 4.8.9(a1)(1), omit "*National Electricity Law*" and substitute "*NEL*".

[200] Clause 4.8.9 Power to issue directions and clause 4.8.9 instructions

In clause 4.8.9(a1)(2), omit "*National Electricity Law*" and substitute "*NEL*".

[201] Clause 4.8.9 Power to issue directions and clause 4.8.9 instructions

In clause 4.8.9(j), omit "*National Electricity Law*" and substitute "*NEL*".

[202] Clause 4.8.9A System security directions

In clause 4.8.9A(a), omit "*National Electricity Law*" and substitute "*NEL*".

[203] Clause 4.8.9A System security directions

In clause 4.8.9A(b), omit "*National Electricity Law*" and substitute "*NEL*".

[204] Clause 4.8.12 System restart plan and local black system procedures

In clause 4.8.12(a2), omit "*National Electricity Law*" and substitute "*NEL*".

[205] Clause 4.8.12 System restart plan and local black system procedures

In clause 4.8.12(d), omit "*system restart ancillary services*" and substitute "*SRASs*".

[206] Clause 4.9.1 Load forecasting

In clause 4.9.1, before clause 4.9.1(a), insert:

Definitions

(a0) In this clause 4.9.1:

forecast load (as generated) has the meaning given to it in clause 4.9.1(b).

forecast load (sent out) has the meaning given to it in clause 4.9.1(b).

[207] Clause 4.10.3 Operating interaction with distribution networks

In clause 4.10.3(a), omit "*transmission or distribution networks*" and substitute "*transmission networks or distribution networks*".

[208] Clause 4.10.5 Switching of reactive power facilities

In clause 4.10.5(a), omit "*reactive power facilities*" and substitute "*reactive plant*".

[209] Clause 4.10.6 Automatic reclose

In clause 4.10.6(a), omit "*transmission or distribution network*" and substitute "*transmission network or distribution network*".

[210] Clause 4.11.1 Remote control and monitoring services

In clause 4.11.1(a), omit "*metering*" and substitute "metering".

[211] Clause 4.11.1 Remote control and monitoring services

In clause 4.11.1(a)(1), omit "*transmission or distribution network*" and substitute "*transmission network or distribution network*".

[212] Clause 4.11.1 Remote control and monitoring services

In clause 4.11.1(g), omit each reference to "*automatic generation control system*" and substitute "*AGC*".

[213] Clause 4.11.2 Operational control and indication communication facilities

In clause 4.11.2(a), omit "*metering*" and substitute "metering".

[214] Clause 4.16.1 Definitions

In clause 4.16.1, omit definition of "**National Electricity Code**" and substitute:

National Electricity Code has the meaning given in the *NEL*.

[215] Clause 4.16.1 Definitions

In clause 4.16.1, omit definition of "**Old National Electricity Law**" and substitute:

Old National Electricity Law has the same meaning as 'old National Electricity Law' in the *NEL*.

[216] Clause 4A.A.1 Definitions

In clause 4A.A.1, insert the following definitions in alphabetical order:

AER PoLR report has the meaning given in clause 4A.F.8(a).

aggregate MLO Group transactions has the meaning given in clause 4A.G.19(c).

application for adjustment has the meaning given in clause 4A.E.7(a).

bid-offer spread has the meaning given in clause 4A.G.18(h).

change event has the meaning given in clause 4A.G.13(a)(3).

dispatch control has the meaning given in clause 4A.G.4(b).

MLO exit notice has the meaning given in clause 4A.G.12(e).

PoLR liable entity has the meaning given in clause 4A.F.8(a)(1).

PoLR TI has the meaning given in clause 4A.F.8(a)(2).

target trading periods has the meaning given in clause 4A.G.18(c).

uncontracted MW position has the meaning given in clause 4A.F.8(b).

[217] Clause 4A.A.1 Definitions

In clause 4A.A.1, in each of the following definitions, omit "*National Electricity Law*" and substitute "*NEL*":

contract position day

forecast reliability gap period

liable entity

net contract position

one-in-two year peak demand forecast

peak demand

qualifying contract

reliability instrument

reporting day

T-1 cut-off day

T-1 reliability instrument

T-3 cut-off day

[257] Clause 4A.G.6 Controlling entity

In clause 4A.G.6, omit clause 4A.G.6(f).

[258] Clause 4A.G.24 MLO compliance and reporting

In clause 4A.G.24(a), omit "*National Electricity Law*" and substitute "*NEL*".

[259] Clause 4A.G.24 MLO compliance and reporting

In clause 4A.G.24(b), omit "*National Electricity Law*" and substitute "*NEL*".

[260] Clause 5.1A.1 Purpose and Application

In clause 5.1A.1(f)(1), omit "RIT-T proponent" and substitute "*RIT-T proponent*".

[261] Clause 5.1A.1 Purpose and Application

In clause 5.1A.1(f1)(1), omit "RIT-T proponent" and substitute "*RIT-T proponent*".

[262] Clause 5.1A.1 Purpose and Application

In clause 5.1A.1(f1)(4), omit "RIT-T project" and substitute "*RIT-T project*".

[263] Clause 5.1A.1 Purpose and Application

In clause 5.1A.1(f1)(5), omit "RIT-T project" and substitute "*RIT-T project*".

[264] Clause 5.1A.1 Purpose and Application

In clause 5.1A.1(f1)(5), omit "credible option" and substitute "*credible option*".

[265] Clause 5.2A.4 Transmission services related to connection

In clause 5.2A.4, before clause 5.2A.4(a), insert:

Definitions

(a0) In this clause 5.2A.4:

contestable IUSA components has the meaning given to it in clause 5.2A.5(c).

non-contestable IUSA components has the meaning to it in clause 5.2A.5(d).

[266] Clause 5.2A.7 Third party IUSAs

In clause 5.2A.7, before clause 5.2A.7(a), insert:

[267] Clause 5.3.1 Process and procedures

In clause 5.3.1(b), omit "establish a *connection*" and substitute "*establish a connection*".

[268] Clause 5.3.6 Offer to connect

In clause 5.3.6(b2)(1)(ii), omit "*metering*" and substitute "metering".

[269] Clause 5.3.6 Offer to connect

In clause 5.3.6(b2)(3), omit "detailed response" and substitute "*detailed response*".

[270] Clause 5.3A.1 Definitions

Before clause 5.3A.1, insert:

5.3A.A1 Definitions

(a) In this clause 5.3A.A1:

non-registered embedded generator has the same meaning as in clause 5A.A.1.

(b) For the purposes of this rule 5.3A.A1 and Schedules 5.4A and 5.4B:

detailed response means the response to a *connection* enquiry prepared under clause 5.3A.8.

establish a connection has the same meaning as in clause 5.3.1.

information pack means information relevant to the making of an *application to connect* specified in clause 5.3A.3(b).

preliminary response means the response to a *connection* enquiry prepared under clause 5.3A.7.

sub-transmission line has the same meaning as in clause 5.10.2.

zone substation has the same meaning as in clause 5.10.2.

[271] Clause 5.3A.1 Application of rule 5.3A

In clause 5.3A.1, omit clause 5.3A.1(a) and substitute "[Deleted]".

[272] Clause 5.3A.2 Definitions and miscellaneous

In clause 5.3A.2, omit the heading "*Definitions and miscellaneous*" and substitute "*Miscellaneous*".

[273] Clause 5.3A.2 Definitions and miscellaneous

In clause 5.3A.2, omit clause 5.3A.2(a) and substitute "[Deleted]".

[274] Clause 5.3A.2 Definitions and miscellaneous

In clause 5.3A.2(b), omit "demand side engagement document" and substitute "*demand side engagement document*".

[275] Clause 5.3A.3 Publication of information

In clause 5.3A.3(a)(3), omit "information pack" and substitute "*information pack*".

[276] Clause 5.3A.3 Publication of information

In clause 5.3A.3(b), omit "information pack" and substitute "*information pack*".

[277] Clause 5.3A.4 Fees

In clause 5.3A.4(a), omit "detailed response" and substitute "*detailed response*".

[278] Clause 5.3A.4 Fees

In clause 5.3A.4(e)(1), omit "detailed response" and substitute "*detailed response*".

[279] Clause 5.3A.6 Response to Enquiry

In clause 5.3A.6(a)(2), omit "detailed response" and substitute "*detailed response*".

[280] Clause 5.3A.6 Response to Enquiry

In clause 5.3A.6(b), omit each reference to "detailed response" and substitute "*detailed response*".

[281] Clause 5.3A.7 Preliminary Response to Enquiry

In clause 5.3A.7(b)(1), omit "detailed response" and substitute "*detailed response*".

[282] Clause 5.3A.7 Preliminary Response to Enquiry

In clause 5.3A.7(b)(2), omit each reference to "detailed response" and substitute "*detailed response*".

[283] Clause 5.3A.8 Detailed Response to Enquiry

In clause 5.3A.8(c), omit "detailed response" and substitute "*detailed response*".

[284] Clause 5.3A.8 Detailed Response to Enquiry

In clause 5.3A.8(f), omit "detailed response" and substitute "*detailed response*".

[285] Clause 5.3A.8 Detailed Response to Enquiry

In clause 5.3A.8(f), omit "RIT-D project" and substitute "*RIT-D project*".

[286] Clause 5.3A.8 Detailed Response to Enquiry

In clause 5.3A.8(g), in the Note, omit "detailed response" and substitute "*detailed response*".

[287] Clause 5.3A.9 Application for connection

In clause 5.3A.9(a), omit "detailed response" and substitute "*detailed response*".

[288] Clause 5.3A.9 Application for connection

In clause 5.3A.9(b), omit "detailed response" and substitute "*detailed response*".

[289] Clause 5.3AA Access arrangements relating to Distribution Networks

In clause 5.3AA(d)(1), omit "*maximum power input*" and substitute "maximum output".

[290] Clause 5.3AA Access arrangements relating to Distribution Networks

In clause 5.3AA(j), omit "*transmission use of system service charges*" and substitute "*TUOS service charges*".

[291] Clause 5.4.1 Application

In clause 5.4.1, before clause 5.4.1(a), insert:

Definitions

(a0) In this clause 5.4.1:

technical matter has the meaning given to it in clause 5.4.1(b)(4).

[292] Clause 5.4.5 Proceedings and decisions of the Independent Engineer

In clause 5.4.5(g), omit "*National Electricity Law*" and substitute "*NEL*".

[293] Clause 5.5.8 Enforcement of agreement or

determination and requirement for reasons

In clause 5.5.8(c), omit "*National Electricity Law*" and substitute "*NEL*".

[294] Clause 5.7.5 Testing by Registered Participants of their own plant requiring changes to normal operation

In clause 5.7.5(c)(4), omit "*metering*" and substitute "metering".

[295] Clause 5.7.5 Testing by Registered Participants of their own plant requiring changes to normal operation

In clause 5.7.5(f), omit "*metering*" and substitute "metering".

[296] Clause 5.8.5 Commissioning tests

In clause 5.8.5(a), omit "*metering*" and substitute "metering".

[297] Clause 5.9.3 Involuntary disconnection

In clause 5.9.3(a)(1)(a), omit "*National Electricity Law*" and substitute "*NEL*".

[298] Clause 5.9.3 Involuntary disconnection

In clause 5.9.3(a)(3), omit "*National Electricity Law*" and substitute "*NEL*".

[299] Clause 5.9.4A Notification of disconnection

In clause 5.9.4A, omit "*National Electricity Law*" and substitute "*NEL*".

[300] Clause 5.9.6 Obligation to reconnect

In clause 5.9.6(a)(2), omit "*National Electricity Law*" and substitute "*NEL*".

[301] Clause 5.10.1 Content of Part D

In clause 5.10.1(e1) omit "zone substation" and substitute "*zone substation*".

[302] Clause 5.10.1 Content of Part D

In clause 5.10.1(h) omit "RIT-T projects" and substitute "*RIT-T projects*".

[303] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**development path**", omit "power system needs" and substitute "*power system needs*".

[304] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**distribution asset**", omit "sub-transmission

lines" and substitute "*sub-transmission lines*".

[305] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**future ISP project**", omit "transmission asset" and substitute "*transmission asset*".

[306] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**ISP candidate option**", omit "RIT-T proponent" and substitute "*RIT-T proponent*".

[307] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**ISP development opportunity**", omit "distribution assets" and "transmission asset" and substitute "*distribution assets*" and "*transmission asset*", respectively.

[308] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**ISP parameters**", omit "Inputs, Assumptions and Scenarios Report" and substitute "*Inputs, Assumptions and Scenarios Report*".

[309] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**ISP project**", omit "future ISP project" and "ISP development opportunity" and substitute "*future ISP project*" and "*ISP development opportunity*", respectively.

[310] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**normal cyclic rating**", omit each reference to "primary distribution feeder" and substitute "*primary distribution feeder*".

[311] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**potential credit option**", omit "RIT-D proponent" and "RIT-T proponent" and substitute "*RIT-D proponent*" and "*RIT-T proponent*", respectively.

[312] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**potential transmission project**", omit "transmission asset" and substitute "*transmission asset*".

[313] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**preparatory activities**", omit "future ISP projects" and substitute "*future ISP projects*".

[314] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**primary distribution feeder**", omit "sub-transmission lines", "distribution assets" and "sub-transmission assets" and substitute "*sub-transmission lines*", "*distribution assets*" and "*sub-transmission assets*", respectively.

[315] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**protected event EFCS investment**", omit "*transmission or distribution system*" and substitute "*transmission system* and *distribution system*".

[316] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**RIT-D project**", omit "joint planning project" and "RIT-T project" and substitute "*joint planning project*" and "*RIT-T project*", respectively.

[317] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**RIT-D proponent**", omit "RIT-D project" and substitute "*RIT-D project*".

[318] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**RIT-T project**", omit each reference to "cost threshold", "joint planning project" and "potential credible option" and substitute "*cost threshold*", "*joint planning project*" and "*potential credible option*", respectively.

[319] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**RIT-T proponent**", omit "RIT-T project" and substitute "*RIT-T project*".

[320] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**sub-transmission line**", omit each reference to "sub-transmission asset" and substitute "*sub-transmission asset*".

[321] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**transmission-distribution connection point**", omit "transmission assets" and substitute "*transmission assets*".

[322] Clause 5.10.2 Definitions

In clause 5.10.2, in the definition of "**zone substation**", omit "sub-transmission network" and substitute "*sub-transmission network*".

[323] Clause 5.10.2 Definitions

In clause 5.10.2(b), omit "cost threshold determination" and substitute "*cost threshold determination*".

[324] Clause 5.11.2 Identification of network limitations

In clause 5.11.2(b), omit "*transmission or distribution systems*" and substitute "*transmission systems or distribution systems*".

[325] Clause 5.12.2 Transmission Annual Planning Report

In clause 5.12.2(c)(7), omit each reference to "asset management" and substitute "*asset management*".

[326] Clause 5.12.2 Transmission Annual Planning Report

In clause 5.12.2(c), omit "TAPR Guidelines" and substitute "*TAPR Guidelines*".

[327] Clause 5.12.2 Transmission Annual Planning Report

In clause 5.12.2(c)(1A)(ii), omit "de-rated" and substitute "*de-rated*".

[328] Clause 5.12.2 Transmission Annual Planning Report

In clause 5.12.2(c)(1A)(iii), omit "de-rated" and substitute "*de-rated*".

[329] Clause 5.12.2 Transmission Annual Planning Report

In clause 5.12.2(c)(1A)(iv), omit "de-rate" and substitute "*de-rate*".

[330] Clause 5.12.2 Transmission Annual Planning Report

In clause 5.12.2(c)(1B)(ii), omit "de-rated" and substitute "*de-rated*".

[331] Clause 5.12.2 Transmission Annual Planning Report

In clause 5.12.2(c)(1B)(iii), omit "de-rated" and substitute "*de-rated*".

[332] Clause 5.12.2 Transmission Annual Planning Report

In clause 5.12.2(c)(1B)(iv), omit "cost threshold determination" and substitute "*cost threshold determination*".

[333] Clause 5.12.2 Transmission Annual Planning Report

In clause 5.12.2(c)(1B)(vi), omit "de-rated" and substitute "*de-rated*".

[334] Clause 5.12.2 Transmission Annual Planning Report

In clause 5.12.2(c)(1B)(vii), omit "de-rated" and substitute "*de-rated*".

[335] Clause 5.12.2 Transmission Annual Planning Report

In clause 5.12.2(c)(1B)(viii), omit "de-rate" and substitute "*de-rate*".

[336] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(a)(1), omit "distribution assets" and substitute "*distribution assets*".

[337] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(a)(1), omit "forward planning period" and substitute "*forward planning period*".

[338] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(a)(2), omit "forward planning period" and substitute "*forward planning period*".

[339] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(b), omit "forward planning period" and substitute "*forward planning period*".

[340] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(c), omit "forward planning period" and substitute "*forward planning period*".

[341] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(d), omit "forward planning period" and substitute "*forward planning period*".

[342] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(d)(1)(i), omit "sub-transmission lines" and substitute "*sub-transmission lines*".

[343] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(d)(1)(ii), omit "sub-transmission lines" and substitute "*sub-transmission lines*".

[344] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(d)(1)(iii), omit "primary distribution feeders" and substitute "*primary distribution feeders*".

[345] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(e)(1), omit "non-network providers" and substitute "*non-network providers*".

[346] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(f), omit "demand side engagement strategy" and substitute "*demand side engagement strategy*".

[347] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(f), omit "non-network providers" and substitute "*non-network providers*".

[348] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(g), omit "demand side engagement strategy" and "demand side engagement document" and substitute "*demand side engagement strategy*" and "*demand side engagement document*", respectively.

[349] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(h), omit "demand side engagement document" and substitute "*demand side engagement document*".

[350] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(i), omit "demand side engagement document" and substitute "*demand side engagement document*".

[351] Clause 5.13.1 Distribution annual planning review

In clause 5.13.1(j), omit "demand side engagement document" and substitute "*demand side engagement document*".

[352] Clause 5.13.2 Distribution Annual Planning Report

In clause 5.13.2(b), omit "DAPR date" and substitute "*DAPR date*".

[353] Clause 5.13.2 Distribution Annual Planning Report

In clause 5.13.2(b), omit "forward planning period" and substitute "*forward planning period*".

[354] Clause 5.13.2 Distribution Annual Planning Report

In clause 5.13.2(d), omit "transmission-distribution connection points" and substitute "*transmission-distribution connection points*".

[355] Clause 5.13.3 Distribution system limitation template

In clause 5.13.3(a), omit each reference to "system limitation template" and substitute "*system limitation template*".

[356] Clause 5.13.3 Distribution system limitation template

In clause 5.13.3(b), omit "system limitation template" and substitute "*system limitation template*".

[357] Clause 5.13.3 Distribution system limitation template

In clause 5.13.3(c), omit "system limitation template" and substitute "*system limitation template*".

[358] Clause 5.13.3 Distribution system limitation template

In clause 5.13.3(c)(1)(i), omit "sub-transmission lines" and substitute "*sub-transmission lines*".

[359] Clause 5.13.3 Distribution system limitation template

In clause 5.13.3(c)(1)(i), omit each reference to "system limitation" and substitute "*system limitation*".

[360] Clause 5.13.3 Distribution system limitation template

In clause 5.13.3(c)(1)(i), omit "zone substations" and substitute "*zone substations*".

[361] Clause 5.13.3 Distribution system limitation template

In clause 5.13.3(c)(1)(i), omit "forward planning period" and substitute "*forward planning period*".

[362] Clause 5.13.3 Distribution system limitation template

In clause 5.13.3(c)(1)(ii), omit each reference to "system limitation" and substitute "*system limitation*".

[363] Clause 5.13.3 Distribution system limitation template

In clause 5.13.3(c)(1)(v), omit each reference to "system limitation" and substitute "*system limitation*".

[365] Clause 5.13.3 Distribution system limitation template

In clause 5.13.3(d), omit "system limitation template" and substitute "*system limitation template*".

[366] Rule 5.13A Distribution zone substation information

In clause 5.13.3A(b), omit "zone substation" and substitute "*zone substation*".

[367] Rule 5.13A Distribution zone substation information

In clause 5.13.3A(b)(1), omit "zone substation" and substitute "*zone substation*".

[368] Rule 5.13A Distribution zone substation information

In clause 5.13.3A(b)(2), omit "zone substation" and substitute "*zone substation*".

[369] Rule 5.13A Distribution zone substation information

In clause 5.13.3A(b)(3), omit "zone substation" and substitute "*zone substation*".

[370] Rule 5.13A Distribution zone substation information

In clause 5.13.3A(b)(5), omit "zone substation" and substitute "*zone substation*".

[371] Rule 5.13A Distribution zone substation information

In clause 5.13.3A(g), omit "zone substation" and substitute "*zone substation*".

[372] Clause 5.14.1 Joint planning of Transmission Network Service Providers and Distribution Network Service Providers

In clause 5.14.1(d)(1), omit "transmission-distribution connection points" and substitute "*transmission-distribution connection points*".

[373] Clause 5.14.1 Joint planning of Transmission Network Service Providers and Distribution Network Service Providers

In clause 5.14.1(d)(4), omit "joint planning project" and substitute "*joint planning project*".

[374] Clause 5.14.1 Joint planning of Transmission Network Service Providers and Distribution Network Service Providers

In clause 5.14.1(d)(4), omit "demand side engagement register" and substitute "*demand side engagement register*".

[375] Clause 5.14.1 Joint planning of Transmission Network Service Providers and Distribution Network Service Providers

In clause 5.14.1(d)(4)(ii), omit "joint planning project" and substitute "*joint planning project*".

[376] Clause 5.14.1 Joint planning of Transmission Network Service Providers and Distribution Network Service Providers

In clause 5.14.1(d)(4)(ii), omit "RIT-D project" and "RIT-T project" and substitute "*RIT-D project*" and "*RIT-T project*", respectively.

[377] Clause 5.14.1 Joint planning of Transmission Network Service Providers and Distribution Network Service Providers

In clause 5.14.1(d)(4)(iii), omit "joint planning project" and substitute "*joint planning project*".

[378] Clause 5.14.1 Joint planning of Transmission Network Service Providers and Distribution Network Service Providers

In clause 5.14.1(e), omit "joint planning project" and substitute "*joint planning project*".

[379] Clause 5.14.2 Joint planning of Distribution Network Service Providers and Distribution Network Service Providers

In clause 5.14.2(b), omit "joint planning project" and substitute "*joint planning project*".

[380] Clause 5.14.2 Joint planning of Distribution Network Service Providers and Distribution Network Service Providers

In clause 5.14.2(c), omit "joint planning project" and substitute "*joint planning project*".

[381] Clause 5.14.4 Joint planning by Transmission Network Service Providers and AEMO

In clause 5.14.4(a)(2), omit "ISP timetable" and substitute "*ISP timetable*".

[382] Clause 5.14.4 Joint planning by Transmission Network Service Providers and AEMO

In clause 5.14.4(a)(6), omit "reliability corrective action" and substitute "*reliability corrective action*".

[383] Clause 5.14B.1 Development of TAPR Guidelines

In clause 5.14B.1(a), omit "TAPR Guidelines" and substitute "*TAPR Guidelines*".

[384] Clause 5.14B.1 Development of TAPR Guidelines

In clause 5.14B.1(b), omit each reference to "TAPR Guidelines" and substitute "*TAPR Guidelines*".

[385] Clause 5.14B.1 Development of TAPR Guidelines

In clause 5.14B.1(c), omit "TAPR Guidelines" and substitute "*TAPR Guidelines*".

[386] Clause 5.14B.1 Development of TAPR Guidelines

In clause 5.14B.1(d), omit "TAPR Guidelines" and substitute "*TAPR Guidelines*".

[387] Clause 5.15.1 Interested parties

In clause 5.15.1, omit "*National Electricity Market*" and substitute "*NEM*".

[388] Clause 5.15.1 Interested parties

In clause 5.15.1, omit "final project assessment report" and substitute "*final project assessment report*".

[389] Clause 5.15.1 Interested parties

In clause 5.15.1, omit "preferred option" and substitute "*preferred option*".

[390] Clause 5.15.1 Interested parties

In clause 5.15.1, omit "project assessment conclusions report" and substitute "*project assessment conclusions report*".

[391] Clause 5.15.2 Identification of a credible option

In clause 5.15.2(a), omit each reference to "credible option" and substitute "*credible option*".

[392] Clause 5.15.2 Identification of a credible option

In clause 5.15.2(b), omit "credible options" and substitute "*credible options*".

[393] Clause 5.15.2 Identification of a credible option

In clause 5.15.2(b), omit "RIT-T project" and "RIT-T proponent" and substitute "*RIT-T project*" and "*RIT-T proponent*", respectively.

[394] Clause 5.15.2 Identification of a credible option

In clause 5.15.2(b)(4), omit "credible option" and substitute "*credible option*".

[395] Clause 5.15.2 Identification of a credible option

In clause 5.15.2(b)(6), omit "credible option" and substitute "*credible option*".

[396] Clause 5.15.2 Identification of a credible option

In clause 5.15.2(b)(7), omit "credible option" and substitute "*credible option*".

[397] Clause 5.15.2 Identification of a credible option

In clause 5.15.2(b)(8), omit "RIT-T proponent" and substitute "*RIT-T proponent*".

[398] Clause 5.15.2 Identification of a credible option

In clause 5.15.2(b1), omit "credible options", "RIT-T proponent" and "RIT-T project" and substitute "*credible options*", "*RIT-T proponent*" and "*RIT-T project*", respectively.

[399] Clause 5.15.2 Identification of a credible option

In clause 5.15.2(c), omit "credible options", "RIT-D project" and "RIT-D proponent" and substitute "*credible options*", "*RIT-D project*" and "*RIT-D proponent*", respectively.

[400] Clause 5.15.2 Identification of a credible option

In clause 5.15.2(d), omit "credible option" and substitute "*credible option*".

[401] Clause 5.15.3 Review of costs threshold

In clause 5.15.3(a), omit each reference to "cost thresholds" and substitute "*cost thresholds*".

[402] Clause 5.15.3 Review of costs threshold

In clause 5.15.3(a)(1), omit "cost threshold review" and substitute "*cost threshold review*".

[403] Clause 5.15.3 Review of costs threshold

In Schedule 5.7, Item (b)(2)(i) omit "transmission-distribution connection points" and substitute "*transmission-distribution connection points*".

[996] Schedule 5.7 Annual Forecast Information for Planning Purposes

In Schedule 5.7, Item (b)(3) omit each reference to "transmission-distribution connection point" and substitute "*transmission-distribution connection point*".

[997] Schedule 5.7 Annual Forecast Information for Planning Purposes

In Schedule 5.7, Item (c)(3) omit "transmission-distribution connection points" and

substitute "*transmission-distribution connection points*".

[998] Schedule 5.7 Annual Forecast Information for Planning Purposes

In Schedule 5.7, omit "*daily profiles*" and substitute "daily profiles".

[999] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, omit the Note.

[1000] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (a)(3), omit "distribution assets" and substitute "*distribution assets*".

[1001] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b), omit "forward planning period" and substitute "*forward planning period*".

[1002] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b)(2)(ii), omit "sub-transmission lines" and "zone substations" and substitute "*sub-transmission lines*" and "*zone substations*", respectively.

[1003] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b)(2)(iv), omit "total capacity" and substitute "*total capacity*".

[1004] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b)(2)(v), omit "firm delivery capacity" and substitute "*firm delivery capacity*".

[1005] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b)(3), omit "sub-transmission lines" and substitute "*sub-transmission lines*".

[1006] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b1), omit "forward planning period" and substitute "*forward planning period*".

[1007] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b1)(2), omit "de-rated" and substitute "*de-rated*".

[1008] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b1)(3), omit "de-rated" and substitute "*de-rated*".

[1009] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b1)(4), omit "de-rated" and substitute "*de-rated*".

[1010] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b2)(2), omit "de-rated" and substitute "*de-rated*".

[1011] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b2)(3), omit "de-rated" and substitute "*de-rated*".

[1012] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b2)(4), omit "cost threshold determination" and substitute "*cost threshold determination*".

[1013] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b2)(6), omit "de-rated" and substitute "*de-rated*".

[1014] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b2)(7), omit "de-rated" and substitute "*de-rated*".

[1015] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (b2)(8), omit "de-rate" and substitute "*de-rate*".

[1016] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (c), omit "sub-transmission lines" and substitute "*sub-transmission lines*".

[1017] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (c)(2), omit "load transfer capacity" and substitute "*load transfer capacity*".

[1018] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (c)(2), omit "system limitation" and substitute "*system limitation*".

[1019] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (c)(4), omit "forward planning period" and substitute "*forward planning period*".

[1020] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (c)(4), omit "system limitation" and substitute "*system limitation*".

[1021] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (c)(5), omit "system limitation" and substitute "*system limitation*".

[1022] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (c)(5)(i), omit "system limitation" and substitute "*system limitation*".

[1023] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (d), omit "primary distribution feeders" and substitute "*primary distribution feeders*".

[1024] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (d)(1), omit "primary distribution feeder" and substitute "*primary distribution feeder*".

[1025] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (d)(2), omit "normal cyclic rating" and substitute "*normal cyclic rating*".

[1026] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (e), omit "RIT-D project" and substitute "*RIT-D project*".

[1027] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (e)(3), omit "credible options" and substitute "*credible options*".

[1028] Schedule 5.8 Distribution Annual Planning Report

In Schedule 5.8, Item (e)(4), omit "credible option" and substitute "*credible option*".

[1157] Clause 8.8.3 Reliability Panel review process

In clause 8.8.3(l), omit "*changes*" and substitute "changes".

[1158] Rule 8.9 Rules Consultation Procedures

In clause 8.9(a), omit "*National Electricity Law*" and substitute "*NEL*".

[1159] Rule 8.10 Consumer advocacy funding obligation

In rule 8.10, renumber existing clause 8.10(d) as clause 8.10(a0) and insert before clause 8.10(a).

[1160] Clause 8.11.3 Definitions

In clause 8.11.3, in the definition of "*augmentation connection agreement*", omit "*National Electricity Law*" and substitute "*NEL*".

[1161] Clause 8.11.4 Planning criteria

In clause 8.11.4(b)(1), omit "*National Electricity Law*" and substitute "*NEL*".

[1162] Clause 8.11.5 Construction of augmentation that is not a contestable augmentation

In clause 8.11.5(b)(3), in the **Note**, omit "*National Electricity Law*" and substitute "*NEL*".

[1163] Clause 8.11.6 Contestable augmentations

In clause 8.11.6(b)(1), omit references to "*prejudice system security*" and substitute "*prejudice power system security*".

[1164] Schedule 8.11.3 Matters to be dealt with in relevant agreements

In clause S8.11.3, renumber existing clause S8.11.3(b) as clause S8.11.3(a0) and insert before clause S8.11.3(a).

[1165] Clause 8A Participant Derogations

In clause 8A, in the **Note**, omit "*National Electricity Law*" and substitute "*NEL*".

[1166] Clause 8A.14.1 Definitions

In clause 8A.14.1, omit the definition of "**Tribunal**" and substitute:

Tribunal has the meaning given in the *NEL*.

[1167] Clause 8A.14.1 Definitions

In clause 8A.14.1, in the definition of "**Tribunal's decision**", omit "*National Electricity Law*" and substitute "*NEL*".

[1168] Clause 8A.14.1 Definitions

In clause 8A.14.1, in the definition of "**undertaking**", omit "*National Electricity Law*" and substitute "*NEL*".

[1169] Clause 8A.14.4 Recovery of revenue across the current regulatory control period and subsequent regulatory control period

In clause 8A.14.4(b), in the **Note**, omit "*National Electricity Law*" and substitute "*NEL*".

[1170] Clause 8A.15.1 Definitions

In clause 8A.15.1, in the definition of "**ActewAGL**", omit "*National Electricity Law*" and substitute "*NEL*".

[1171] Clause 8A.15.4 Recovery of revenue across the current regulatory control period and subsequent regulatory control period

In clause 8A.15.4(b), in the **Note**, omit "*National Electricity Law*" and substitute "*NEL*".

[1172] Clause 9.3A Fault levels

In clause 9.3A, omit "*National Electricity Law*" and substitute "*NEL*".

[1173] Clause 9.29A Monitoring and reporting

In clause 9.29A(e), in the definition of "**relevant protocol on the use of emergency powers**", omit each reference to "*National Electricity Market*" and substitute "*NEM*".

[1174] Clause 9.32.1 Definitions

In clause 9.32.1, in the definition of "**Queensland system**", omit references to "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[1175] Clause 9.34.1 Application of the Rules in Queensland (clauses 2.2 and 2.5)

In clause 9.34.1(a), omit references to "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[1176] Clause 9.34.1 Application of the Rules in Queensland (clauses 2.2 and 2.5)

In clause 9.34.1(b), omit references to "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[1177] Clause 9.39.1 Metering installations to which this clause applies

In clause 9.39.1(a), omit "*metering*" and substitute "metering".

[1178] Chapter 10 Amended definition

In Chapter 10, in the definition of "*above-standard system shared transmission service*", omit "investments that have *system-wide benefits*" and substitute "investments that have benefits extending to *Transmission Network Users* beyond those *connected* at a single *transmission network connection point*".

[1179] Chapter 10 Amended definition

In Chapter 10, in the definition of "*actionable ISP project*", omit "transmission asset" and "project assessment draft report" and substitute "*transmission asset*" and "*project assessment draft report*", respectively.

[1180] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*activate, activated, activation*", omit ", *activated, activation*".

[1181] Chapter 10 Amended definition

In Chapter 10, in the definition of "*adoptive jurisdiction*", omit "*National Electricity Law*" and substitute "*NEL*".

[1182] Chapter 10 Amended definition

In Chapter 10, in the definition of "*AEMO advisory matter*", omit "*National Electricity Law*" and substitute "*NEL*".

[1183] Chapter 10 Amended definition

In Chapter 10, in the definition of "*AEMO intervention event*", omit "*reliability and emergency reserve trader*" and substitute "*RERT*".

[1184] Chapter 10 Amended definition

In Chapter 10, in the definition of "*Amending Rule*", omit "*National Electricity Law*" and substitute "*NEL*".

[1185] Chapter 10 Amended definition

In Chapter 10, in the definition of "*augmentation*", omit "*National Electricity Law*" and substitute "*NEL*".

[1186] Chapter 10 Amended definition

In Chapter 10, in the definition of "*B2B costs*", omit "budget prepared by the *Information Exchange Committee* pursuant to clause 7.17.7(d) and the *Information Exchange Committee Annual Report*" and substitute "budget and annual report prepared by the *Information Exchange Committee* pursuant to clause 7.17.7".

[1187] Chapter 10 Amended definition

In Chapter 10, in the definition of "*capacitor bank*", omit "*distribution and transmission lines*" and substitute "*transmission line or distribution line*".

[1188] Chapter 10 Amended definition

In Chapter 10, in the definition of "*changeover date*", omit "*National Electricity Law*" and substitute "*NEL*".

[1189] Chapter 10 Amended definition

In Chapter 10, in the definition of "*commercial arbitrator*", omit "*National Electricity Law*" and substitute "*NEL*".

[1190] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*connect, connected, connection*", omit ", *connected, connection*".

[1191] Chapter 10 Amended definition

In Chapter 10, in the definition of "*connection agreement*", omit "*transmission or distribution network*" and substitute "*transmission network or distribution network*".

[1192] Chapter 10 Amended definition

In Chapter 10, in the definition of "*connection assets*", omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[1193] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*constraint, constrained*", omit ",

constrained".

[1194] Chapter 10 Amended definition

In Chapter 10, in the definition of "*control system*", omit "*transmission or distribution network*" and substitute "*transmission network or distribution network*".

[1195] Chapter 10 Amended definition

In Chapter 10, in the definition of "*Customer*", omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[1196] Chapter 10 Amended definition

In Chapter 10, in the definition of "*declared network functions*", omit "*National Electricity Law*" and substitute "*NEL*".

[1197] Chapter 10 Amended definition

In Chapter 10, in the definition of "*declared shared network*", omit "*National Electricity Law*" and substitute "*NEL*".

[1198] Chapter 10 Amended definition

In Chapter 10, in the definition of "*declared transmission system*", omit "*National Electricity Law*" and substitute "*NEL*".

[1199] Chapter 10 Amended definition

In Chapter 10, in the definition of "*declared transmission system operator*", omit "*National Electricity Law*" and substitute "*NEL*".

[1200] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*disconnect, disconnected, disconnection*", omit "*, disconnected, disconnection*".

[1201] Chapter 10 Amended definition

In Chapter 10, in the definition of "*distribution system*", omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[1202] Chapter 10 Amended definition

In Chapter 10, in the definition of "*Eastern Standard Time (EST)*", omit "*in advance of Co-ordinated Universal Time*" and substitute "*in advance of Co-ordinated Universal Time as maintained under section 8AA of the National Measurement Act*".

[1203] Chapter 10 Amended definition

In Chapter 10, in the definition of "*Electricity Procedures*", omit "these *Rules*" and "these *Rules* empower", and substitute "the *Rules*".

[1204] Chapter 10 Amended definition

In Chapter 10, in the definition of "*Electricity Procedures*", omit "*National Electricity Market*" and substitute "*NEM*".

[1205] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*enabled, enable*", omit "*enabled,* ".

[1206] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*energise / energisation*", omit " / *energisation*".

[1207] Chapter 10 Amended definition

In Chapter 10, in the definition of "*energise*", omit " *transmission or distribution network*" and substitute "*transmission network or distribution network*".

[1208] Chapter 10 Amended definition

In Chapter 10, in the definition of "*energy support arrangement*", omit "*system restart ancillary services*" and substitute "*SRASs*".

[1209] Chapter 10 Amended definition

In Chapter 10, in the definition of "*Exempt Embedded Network Service Provider*", omit "*National Electricity Law*" and substitute "*NEL*".

[1210] Chapter 10 Amended definition

In Chapter 10, in the definition of "*extension*", omit " *transmission or distribution network*" and substitute "*transmission network or distribution network*".

[1211] Chapter 10 Amended definition

In Chapter 10, in the definition of "*failed retailer*", omit "*National Energy Retail Law*" and substitute "*NERL*".

[1212] Chapter 10 Amended definition

In Chapter 10, omit the definition of "*financial year*" and substitute:

financial year

Means a period of 12 months beginning on 1 July.

[1213] Chapter 10 Amended definition

In Chapter 10, in the definition of "*forecast reliability gap*", omit "*National Electricity Law*" and substitute "*NEL*".

[1214] Chapter 10 Amended definition

In Chapter 10, in the definition of "*general regulatory information order*", omit "*National Electricity Law*" and substitute "*NEL*".

[1215] Chapter 10 Amended definition

In Chapter 10, in the definition of "*Generator*", omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[1216] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*interconnection, interconnector, interconnect, interconnected*", omit "*interconnection, interconnector, interconnect, interconnected*" and substitute "*interconnector*".

[1217] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*islanded, islanding*", omit "*, islanding*".

[1218] Chapter 10 Amended definition

In Chapter 10, in the definition of "*jurisdictional derogation*", omit "*National Electricity Law*" and substitute "*NEL*".

[1219] Chapter 10 Amended definition

In Chapter 10, in the definition of "*jurisdictional electricity legislation*", omit "*National Electricity Law*" and substitute "*NEL*".

[1220] Chapter 10 Amended definition

In Chapter 10, in the definition of "*jurisdictional planning body*", omit "*relevant Minister of a participating jurisdiction*" and substitute "*relevant Minister*".

[1221] Chapter 10 Amended definition

In Chapter 10, in the definition of "*jurisdictional scheme amounts*", omit "*these Rules*" and substitute "*the Rules*".

[1222] Chapter 10 Amended definition

In Chapter 10, in the definition of "*jurisdictional scheme obligations*", omit "*these Rules*" and substitute "*the Rules*".

[1223] Chapter 10 Amended definition

In Chapter 10, in the definition of "*jurisdictional scheme obligations*", omit "*National Electricity Law*" and substitute "*NEL*".

[1224] Chapter 10 Amended definition

In Chapter 10, omit the definition of "*Jurisdictional System Security Coordinator*" and substitute:

Jurisdictional System Security Coordinator

Has the same meaning as 'jurisdictional system security coordinator' in the *NEL*.

[1225] Chapter 10 Amended definition

In Chapter 10, in the definition of "*large customer*", omit each reference to "*National Energy Retail Law*" and substitute "*NERL*".

[1226] Chapter 10 Amended definition

In Chapter 10, in the definition of "*market auditor*", omit "*review*" and substitute "*review*".

[1227] Chapter 10 Amended definition

In Chapter 10, in the definition of "*Minister*", omit "A Minister that is a "Minister" under the *National Electricity Law*" and "*National Electricity Law*" and substitute "A Minister of a *participating jurisdiction* within the meaning of section 6 of the *National Electricity Law*" and "*NEL*", respectively.

[1228] Chapter 10 Amended definition

In Chapter 10, in the definition of "*Ministers of the MCE*", omit "*National Electricity Law*" and substitute "*NEL*".

[1229] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*National Electricity Law*", omit "*National Electricity Law*" and substitute "*NEL (National Electricity Law)*".

[1230] Chapter 10 Amended definition

In Chapter 10, in the definition of "*national transmission grid*", omit "*National Electricity Law*" and substitute "*NEL*".

[1231] Chapter 10 Amended definition

In Chapter 10, in the definition of "*NEMMCO*", omit "*National Electricity Law*" and substitute "*NEL*".

[1232] Chapter 10 Amended definition

In Chapter 10, in the definition of "*network agreement*", omit "*National Electricity Law*" and substitute "*NEL*".

[1233] Chapter 10 Amended definition

In Chapter 10, in the definition of "*network connection*", omit "*transmission or distribution network*" and substitute "*transmission network or distribution network*".

[1234] Chapter 10 Amended definition

In Chapter 10, in the definition of "*network element*", omit "*synchronous condensers*" and substitute "*synchronous condensers*".

[1235] Chapter 10 Amended definition

In Chapter 10, in the definition of "*network option*", omit "*distribution asset*" and substitute "*distribution asset*".

[1236] Chapter 10 Amended definition

In Chapter 10, in the definition of "*network option*", omit "*transmission asset*" and substitute "*transmission asset*".

[1237] Chapter 10 Amended definition

In Chapter 10, in the definition of "*Network Service Provider*", omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[1238] Chapter 10 Amended definition

In Chapter 10, in the definition of "*network support agreement*", omit "*network support and control ancillary services*" and substitute "*NSCAs*".

[1239] Chapter 10 Amended definition

In Chapter 10, in the definition of "*NSCAs need*", omit "*network support and control ancillary service*" and substitute "*NSCAs*".

[1240] Chapter 10 Amended definition

In Chapter 10, in the definition of "*NSCAs Provider*", omit "*network support and control ancillary services*" and substitute "*NSCAs*".

[1241] Chapter 10 Amended definition

In Chapter 10, in the definition of "*NTP functions*", omit "*National Electricity Law*" and substitute "*NEL*".

[1242] Chapter 10 Amended definition

In Chapter 10, in the definition of "*optimal development path*", omit "A development path" and substitute "*A development path*".

[1243] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*over frequency scheme*", omit "*over frequency scheme*" and substitute "*over-frequency scheme*".

[1244] Chapter 10 Amended definition

In Chapter 10, in the definition of "*participant derogation*", omit "*National Electricity Law*" and substitute "*NEL*".

[1245] Chapter 10 Amended definition

In Chapter 10, in the definition of "*participating jurisdiction*", omit "*National Electricity Law*" and substitute "*NEL*".

[1246] Chapter 10 Amended definition

In Chapter 10, in the definition of "*payment date*", omit "after the end of a *billing period*" and substitute "after the end of a *billing period*, or 2 *business days* after receiving a *final statement*, whichever is the later".

[1247] Chapter 10 Amended definition

In Chapter 10, in (c) and (d) of the definition of "*planned network event*", omit each reference to "*network support and control ancillary services*" and substitute "*NSCAs*".

[1248] Chapter 10 Amended definition

In Chapter 10, in the definition of "*plant*", omit "RIT-D project" and "RIT-T project" and substitute "*RIT-D project*" and "*RIT-T project*", respectively.

[1249] Chapter 10 Amended definition

In Chapter 10, in the definition of "*power transfer capability*", omit "*transmission or distribution network*" and substitute "*transmission network or distribution network*".

[1250] Chapter 10 Amended definition

In Chapter 10, in the definition of "*protected information*", omit "*National Electricity Law*" and substitute "*NEL*".

[1251] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*publish / publication*", omit "*/ publication*".

[1252] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "**reconnect, reconnected, reconnection**", omit ", reconnected, reconnection".

[1253] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "**region, regional**", omit ", regional".

[1254] Chapter 10 Amended definition

In Chapter 10, in the definition of "**regional reference node**", omit "transmission or distribution network" and substitute "transmission network or distribution network".

[1255] Chapter 10 Amended definition

In Chapter 10, in the definition of "**regulating capability constraints**", omit "predispatch schedule" and substitute "pre-dispatch schedule".

[1256] Chapter 10 Amended definition

In Chapter 10, in the definition of "**regulatory information instrument**", omit "National Electricity Law" and substitute "NEL".

[1257] Chapter 10 Amended definition

In Chapter 10, in the definition of "**relevant AEMO intervention event**", omit "reliability and emergency reserve trader" and substitute "RERT".

[1258] Chapter 10 Amended definition

In Chapter 10, in the definition of "**reliability gap period**", omit "National Electricity Law" and substitute "NEL".

[1259] Chapter 10 Amended definition

In Chapter 10, omit the definition of "**Reliability Panel**", and substitute:

Reliability Panel

Has the meaning given in the NEL.

[1260] Chapter 10 Amended definition

In Chapter 10, in the definition of "**responsible person**", omit "National Energy Retail Law" and substitute "NERL".

[1261] Chapter 10 Amended definition

In Chapter 10, in the definition of "**Retail Market Procedures**", omit "these Rules" and substitute "the Rules".

[1262] Chapter 10 Amended definition

In Chapter 10, in the definition of "*retailer*", omit "*National Electricity Law*" and substitute "*NEL*".

[1263] Chapter 10 Amended definition

In Chapter 10, in the definition of "*retailer planned interruption*", omit each reference to "*National Energy Retail Rules*" and substitute "*NERR*".

[1264] Chapter 10 Amended definition

In Chapter 10, in the definition of "*RoLR cost recovery scheme distributor payment determination*", omit "*National Energy Retail Law*" and substitute "*NERL*".

[1265] Chapter 10 Amended definition

In Chapter 10, in the definition of "*RoLR Procedures*", omit "*National Energy Retail Law*" and substitute "*NERL*".

[1266] Chapter 10 Amended definition

In Chapter 10, in the definition of "*RoLR*", omit "*National Energy Retail Law*" and substitute "*NERL*".

[1267] Chapter 10 Amended definition

In Chapter 10, omit the definition of "*Rule fund*" and substitute:

Rule fund

Has the meaning given in the *NEL*, and includes the funds referred to in clause 1.11(a).

[1268] Chapter 10 Amended definition

In Chapter 10, in the definition of "*Rules*", omit "*National Electricity Law*" and substitute "*NEL*".

[1269] Chapter 10 Amended definition

In Chapter 10, in the definition of "*sent out generation*", omit "*transmission or distribution network*" and substitute "*transmission network or distribution network*".

[1270] Chapter 10 Amended definition

In Chapter 10, in the definition of "*shared network capability service*", omit "*National Electricity Law*" and substitute "*NEL*".

[1271] Chapter 10 Amended definition

In Chapter 10, in the definition of "*single contingency*", omit "*transmission or distribution network*" and "*transmission or distribution line*" and substitute "*transmission network or distribution network*" and "*transmission line or distribution*".

line", respectively.

[1272] Chapter 10 Amended definition

In Chapter 10, in the definition of "*small customer*", omit each reference to "*National Energy Retail Law*" and substitute "*NERL*".

[1273] Chapter 10 Amended definition

In Chapter 10, in the definition of "*Small Generation Aggregator*", omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[1274] Chapter 10 Amended definition

In Chapter 10, in the definition of "*SRAS Objective*", omit "*system restart ancillary services*" and substitute "*SRASs*".

[1275] Chapter 10 Amended definition

In Chapter 10, in the definition of "*SRAS Provider*", omit "*system restart ancillary services*" and substitute "*SRASs*".

[1276] Chapter 10 Amended definition

In Chapter 10, in the definition of "*static excitation system*", omit "in which the power to the rotor of a *synchronous generating unit* is transmitted through high power solid-state electronic devices" and substitute "that does not use rotating machinery to produce the field current".

[1277] Chapter 10 Amended definition

In Chapter 10, in the definition of "*supply scarcity mechanism*", omit "*reliability and emergency reserve trader*" and substitute "*RERT*".

[1278] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*synchronising, synchronisation*", omit ", synchronisation".

[1279] Chapter 10 Amended definition

In Chapter 10, in the definition of "*synchronous condensers*", omit "*synchronous condensers*" and substitute "*synchronous condensers*".

[1280] Chapter 10 Amended definition

In Chapter 10, in the definition of "*system restart standard*", omit "*system restart ancillary services*" and substitute "*SRASs*".

[1281] Chapter 10 Amended definition

In Chapter 10, in the definition of "*system strength connection works*", omit "*transmission or distribution system*" and substitute "*transmission system or*

distribution system".

[1282] Chapter 10 Amended definition

In Chapter 10, in the definition of "*transmission determination*", omit "*National Electricity Law*" and substitute "*NEL*".

[1283] Chapter 10 Amended definition

In Chapter 10, in the definition of "*transmission system*", omit "*transmission or distribution system*" and substitute "*transmission system or distribution system*".

[1284] Chapter 10 Amended definition

In Chapter 10, in the heading of the definition of "*under frequency scheme*", omit "*under frequency scheme*" and substitute "*under-frequency scheme*".

[1285] Chapter 10 Amended definition

In Chapter 10, in the definition of "*use of system services*", omit "*Transmission use of system service*" and substitute "*TUOS service*".

[1287] Chapter 10 New definitions

In Chapter 10, insert the following new definitions in alphabetical order:

AGC (automatic generation control system)

The system into which the *loading levels* from economic *dispatch* will be entered for *generating units* operating on automatic generation control in accordance with clause 3.8.21(d).

asset management

Has the meaning given to it in clause 5.10.2.

consumer panel report

Has the meaning given to it in clause 5.10.2.

contracted demand side participation

Has the meaning given to it in clause 3.7D(a).

Cost Benefit Analysis Guidelines

Has the meaning given to it in clause 5.10.2.

cost threshold

Has the meaning given to it in clause 5.10.2.

cost threshold determination

Has the meaning given to it in clause 5.10.2.

credible option

Has the meaning given to it in clause 5.10.2.

CRNP (cost reflective network pricing methodology)

The cost allocation methodology set out in clause S6A.3.2.

DAPR date

Has the meaning given to it in clause 5.13.2.

date of issue

Has the meaning given to it in clause 6B.A1.2.

default rate

Has the meaning given to it in clause 6B.A1.2.

demand side engagement document

Has the meaning given to it in clause 5.10.2.

demand side engagement register

Has the meaning given to it in clause 5.10.2.

demand side engagement strategy

Has the meaning given to it in clause 5.10.2.

de-rate

Has the meaning given to it in clause 5.10.2.

design fault level

Has the meaning given to it in clause 5.10.2.

detailed response

Has the meaning given to it in clause 5.3A.A1.

development path

Has the meaning given to it in clause 5.10.2.

dispute notice

Has the meaning given to it in clause 5.10.2.

disputing party

Has the meaning given to it in clause 5.10.2.

distribution asset

Has the meaning given to it in clause 5.10.2.

draft project assessment report

Has the meaning given to it in clause 5.10.2.

due date for payment

Has the meaning given to it in clause 6B.A1.2.

EAAP (energy adequacy assessment projection)

A projection of *AEMO's* assessment of *energy* availability that accounts for *energy constraints* for each month over a 24 month period, which is prepared and *published* in accordance with rule 3.7C and is measured as *unserved energy* for each *region*.

eligibility period

Has the meaning given to it in clause 3.14.6(a).

establish a connection

Has the meaning given to it in clause 5.3A.A1.

final project assessment report

Has the meaning given to it in clause 5.10.2.

firm delivery capacity

Has the meaning given to it in clause 5.10.2.

Forecasting Best Practice Guidelines

Has the meaning given to it in clause 5.10.2.

forward planning period

Has the meaning given to it in clause 5.10.2.

future ISP project

Has the meaning given to it in clause 5.10.2.

IASR review report

Has the meaning given to it in clause 5.10.2.

information pack

Has the meaning given to it in clause 5.3A.A1.

Inputs, Assumptions and Scenario Report

Has the meaning given to it in clause 5.10.2.

ISP candidate option

Has the meaning given to it in clause 5.10.2.

ISP consumer panel

Has the meaning given to it in clause 5.10.2.

ISP development opportunity

Has the meaning given to it in clause 5.10.2.

ISP methodology

Has the meaning given to it in clause 5.10.2.

Has the meaning given to it in clause 5.10.2.

ISP timetable

Has the meaning given to it in clause 5.10.2.

joint planning project

Has the meaning given to it in clause 5.10.2.

load transfer capacity

Has the meaning given to it in clause 5.10.2.

NEM (National Electricity Market)

Has the meaning given in the *NEL*.

NERL (National Energy Retail Law)

Means the National Energy Retail Law set out in the Schedule to the *National Energy Retail Law (South Australia) Act 2011 (SA)*.

NERR (National Energy Retail Rules)

Has the meaning given in the *NERL*.

network charges

Has the meaning given to it in clause 6B.A1.2.

non-network options report

Has the meaning given to it in clause 5.10.2.

non-network provider

Has the meaning given to it in clause 5.10.2.

normal cyclic rating

Has the meaning given to it in clause 5.10.2.

NSCAS (network support and control ancillary service)

A service (excluding an *inertia network service* or *system strength service*) with the capability to control the *active power* or *reactive power* flow into or out of a *transmission network* to address an *NSCAS need*.

NMAS (non-market ancillary service)

Any of the following services:

- (a) *NCASs* and other services acquired by *Transmission Network Service Providers* under *connection agreements* or *network support agreements* to meet the service standards linked to the technical requirements of schedule 5.1 or in *applicable regulatory instruments* (but to avoid doubt, excluding *inertia network services* and *system strength services*); and
- (b) *SRASs* acquired by *AEMO* under clause 3.11.9 and *NCASs* acquired by *AEMO* in the circumstances described in clause 3.11.3(c).

PASA (projected assessment of system adequacy process)

The medium term and short term processes described in clause 3.7 to be administered by *AEMO*.

potential credible option

Has the meaning given to it in clause 5.10.2.

potential transmission project

Has the meaning given to it in clause 5.10.2.

power system needs

Has the meaning given to it in clause 5.10.2.

preferred option

Has the meaning given to it in clause 5.10.2.

preliminary response

Has the meaning given to it in clause 5.3A.A1.

preparatory activities

Has the meaning given to it in clause 5.10.2.

primary distribution feeder

Has the meaning given to it in clause 5.10.2.

project assessment conclusions report

Has the meaning given to it in clause 5.10.2.

project assessment draft report

Has the meaning given to it in clause 5.10.2.

project specification consultation report

Has the meaning given to it in clause 5.10.2.

protected event EFCS investment

Has the meaning given to it in clause 5.10.2.

reconfiguration investment

Has the meaning given to it in clause 5.10.2.

regulatory investment test for distribution application guidelines

Has the meaning given to it in clause 5.10.2.

regulatory investment test for transmission application guidelines

Has the meaning given to it in clause 5.10.2.

reliability corrective action

Has the meaning given to it in clause 5.10.2.

RERT (reliability and emergency reserve trader)

The actions taken by *AEMO* as referred to in clause 3.20.2, in accordance with rule 3.20, to ensure reliability of *supply*.

RIT-D project

Has the meaning given to it in clause 5.10.2.

RIT-D proponent

Has the meaning given to it in clause 5.10.2.

RIT-T project

Has the meaning given to it in clause 5.10.2.

RIT-T proponent

Has the meaning given to it in clause 5.10.2.

shared customer

Has the meaning given in the *NERL*.

SRAS (system restart ancillary service)

A service provided by *plant* or *facilities* with:

- (a) *black start capability*; or
- (b) the capabilities described in the *SRAS Guideline* to supply one or more services to sustain the stable *energisation of generation and transmission*,

sufficient to facilitate the restoration and maintenance of *power system security* and the restart of *generating units* following a *major supply disruption*.

SRD (settlement residue distribution agreement)

Has the meaning given in clause 3.18.1(b).

statement of charges

Has the meaning given to it in clause 6B.A1.2.

sub-transmission

Has the meaning given to it in clause 5.10.2.

sub-transmission line

Has the meaning given to it in clause 5.10.2.

system limitation

Has the meaning given to it in clause 5.10.2.

system limitation template

Has the meaning given to it in clause 5.10.2.

TAPR Guidelines

Has the meaning given to it in clause 5.10.2.

total capacity

Has the meaning given to it in clause 5.10.2.

transmission asset

Has the meaning given to it in clause 5.10.2.

transmission-distribution connection point

Has the meaning given to it in clause 5.10.2.

TUOS (transmission use of system, TUOS service)

A *Generator transmission use of system service* or a *Customer transmission use of system service*.

unscheduled generation

Has the meaning given to it in clause 3.7D.

zone substation

Has the meaning given to it in clause 5.10.2.

[1288] Clause 11.6.1 Definitions

In clause 11.6.1, omit the definition of "*VENCORP*" and substitute:

VENCorp has the meaning given in the *NEL*.

[1289] Clause 11.6.11 Clause consequent upon making National Electricity Amendment (Cost Allocation Arrangements for Transmission Services) Rule No 2009 No 3 - Transition to new Chapter 6A: existing prescribed connection services

In clause 11.6.11(a)(4), omit "*transmission use of system services*" and substitute "*TUOS services*".

[1290] Clause 11.6.20 Basslink transitional provisions

In clause 11.6.20(a), omit the definition of "**Basslink**" and substitute:

Basslink has the same meaning as in the *Electricity Supply Industry Act 1995* of Tasmania.

Note

That is, Basslink is the interconnection between the electricity grids of the States of Tasmania and Victoria by means of:

1. a high voltage, direct current, submarine cable across Bass Strait;
2. converter stations in those States;
3. direct current connecting lines to those converter stations;
4. alternating current transmission connections to the transmission network of those States; and
5. related infrastructure.
